A pair of hands is shown holding a glowing, transparent globe. Inside the globe, a lush green tree is the central focus, surrounded by various nature elements: sunflowers, daisies, and several colorful butterflies (yellow, red, blue, purple). Two snails are also visible, one on the left and one on the right, appearing to be part of the scene. The background is a bright blue sky with soft clouds, sparkling light effects, and faint outlines of continents on the globe. The overall composition is vibrant and symbolic of environmental care and nature.
