Проблема утилизации бытовых ОТХОДОВ

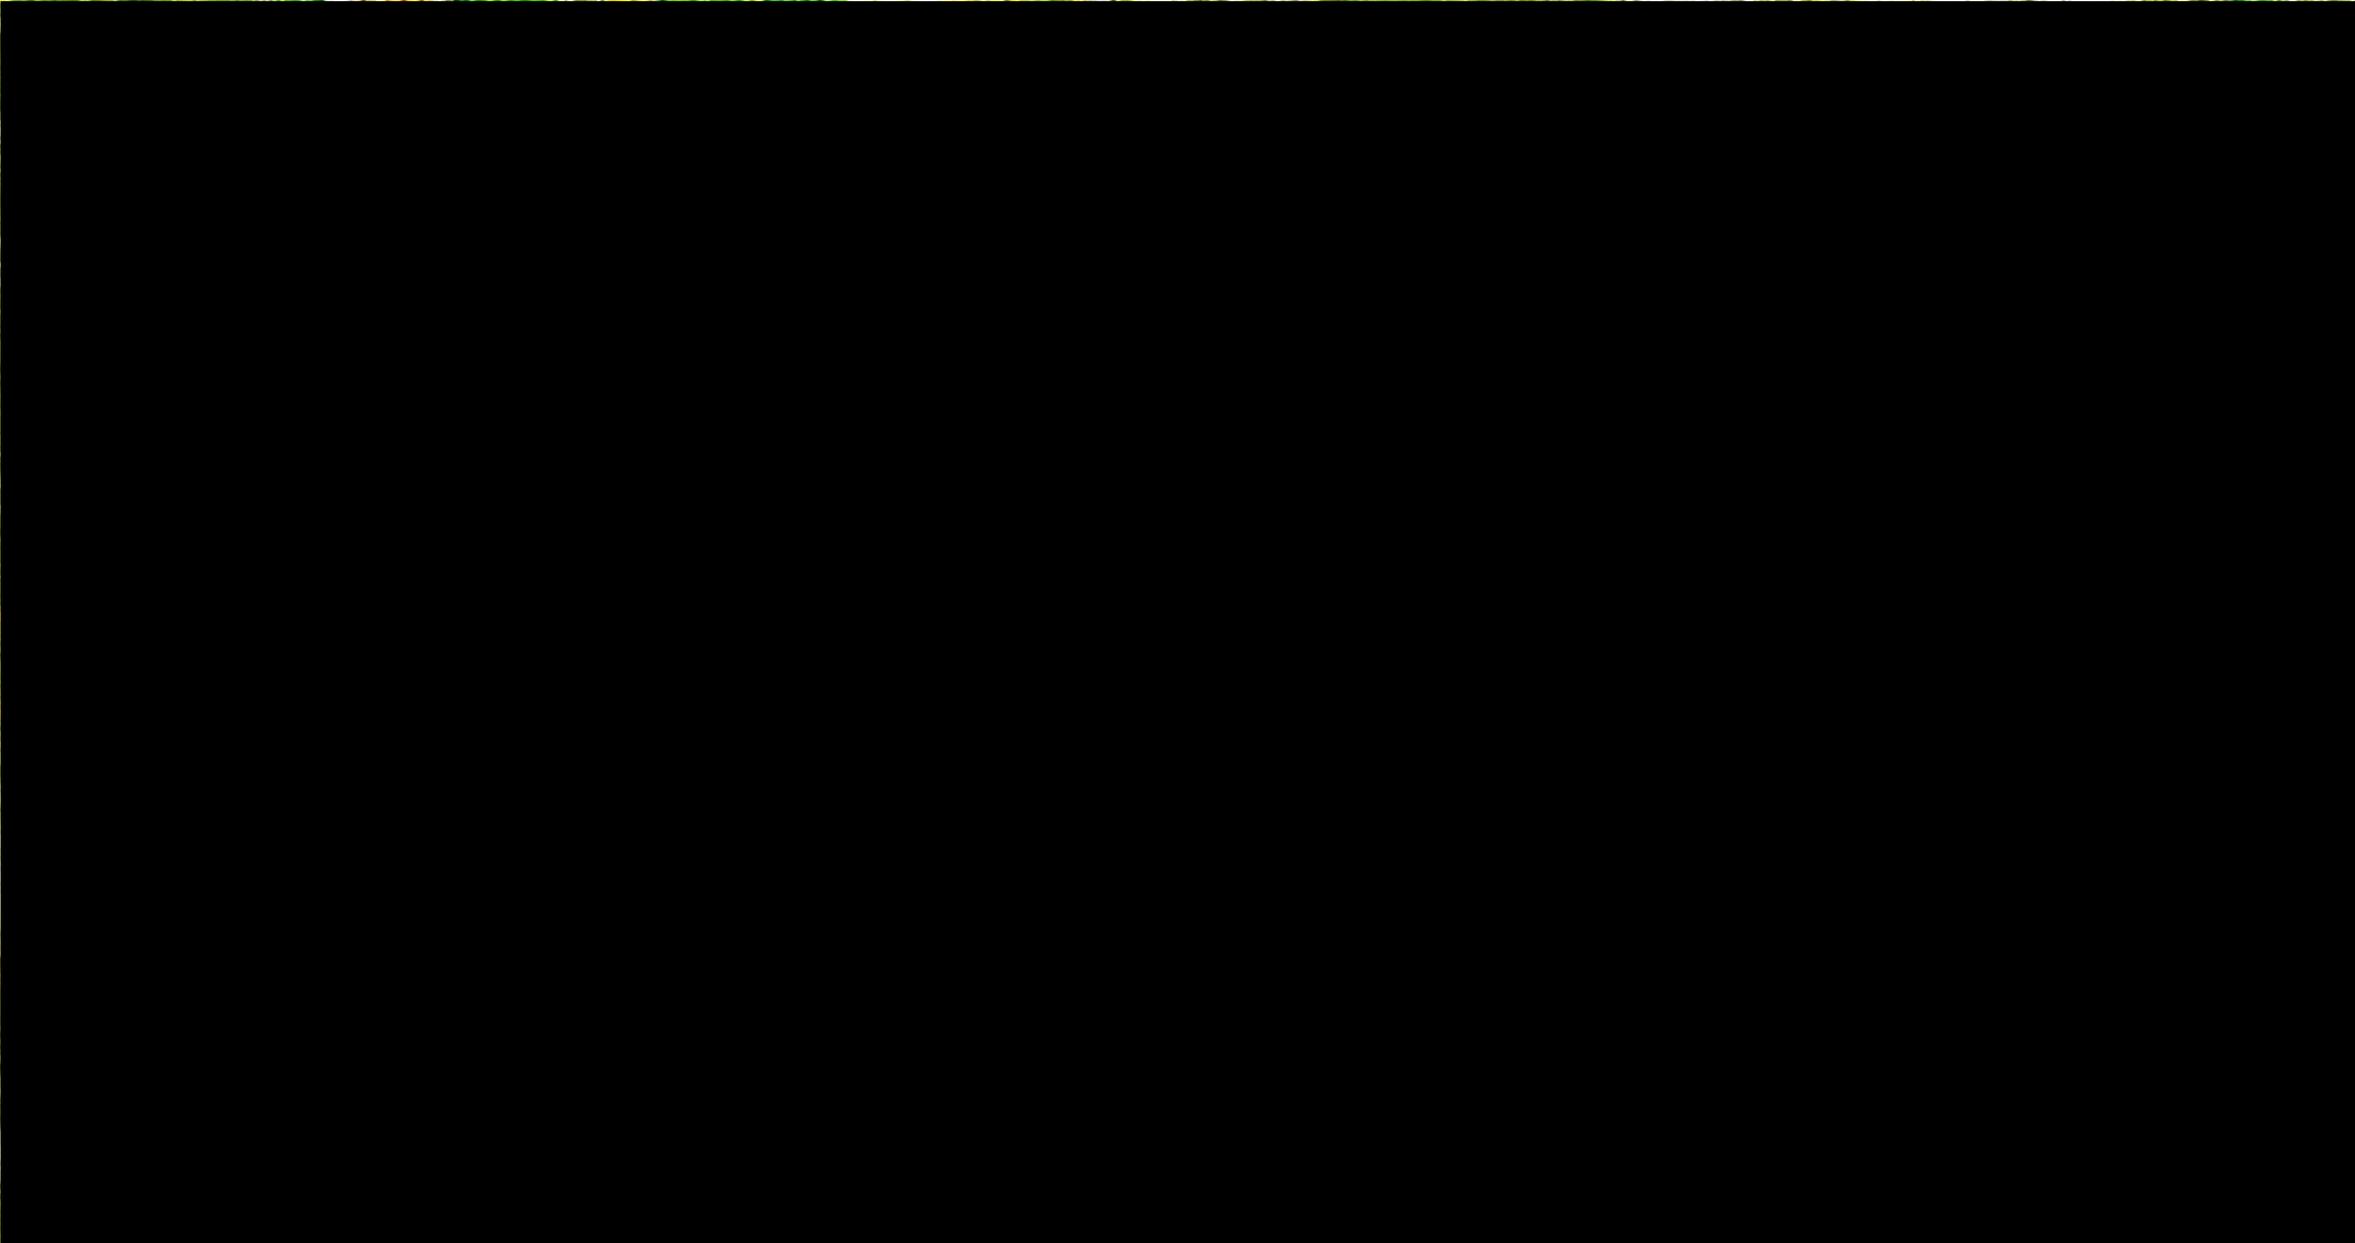

Мусор – глобальная экологическая проблема

A pair of hands is shown holding a glowing, transparent globe. Inside the globe, a lush green tree stands in the center, surrounded by various nature elements: sunflowers, daisies, and several colorful butterflies (yellow, red, blue, purple). Two snails are also visible, one on the left and one on the right, appearing to be part of the scene. The background is a bright blue sky with soft clouds, stars, and a faint map of the world. The overall composition is vibrant and symbolic of environmental care and nature.
