**Биология**  
«биос» - жизнь, «логос» -  
наука

A scroll of aged parchment with a textured, yellowish-brown surface. The scroll is unrolled, showing a central rectangular area with text. The edges of the scroll are slightly frayed and darkened, suggesting it is old. The text is written in a bold, black, sans-serif font.

**Биология - наука  
о жизни, о живых  
организмах,  
обитающих на  
нашей планете.**

**ЛИТОСФЕРА**

A scroll of aged parchment with a textured, yellowish-brown surface. The scroll is unrolled, showing the edges of the parchment. The text is written in a bold, black, sans-serif font, centered on the scroll. The text reads: "Биология изучает строение, жизнедеятельность ЖИВЫХ организмов, их многообразие." The word "ЖИВЫХ" is in all caps.

**Биология изучает  
строение,  
жизнедеятельность  
ЖИВЫХ  
организмов, их  
многообразие.**

**Живые организмы влияют  
на окружающую среду, а  
их существование зависит  
от условий этой среды**

**Экология  
«ойкос» - дом, жилище,  
родина,  
«логос» - наука**

A scroll of aged, yellowish-brown parchment with dark brown leather-like binding on the left and right sides. The text is written in a bold, black, sans-serif font, centered on the scroll. The scroll has a slightly wavy, unrolled appearance.

**Экология - наука,  
которая изучает  
отношения  
организмов между  
собой и с  
окружающей их  
средой.**
