

Green cross

## Purposes of the organization

# Projects

- Some projects for example:
- "Ecological education "
- " social and medical and educational support of the population "
- " renewable power "
- " youth- for the nature"
- "Clear water"

# Results

- The green cross works well and has many positive results.

# Plans for the future

- Green cross have a lot of plans for the future and there is some of them:
- The edition of the book about "green movement"
- Continuation of preparation and broadcast of the telecast according to the book "Mysterious and Mysterious Places of the Leningrad Region"

Thank you for your attention
