

ЛЕКАРСТВЕННЫЙ ОТДЕЛ

МОУ СОШ № 16 БМР РТ

A close-up photograph of oregano (Origanum vulgare) showing its characteristic upright, woody stems and clusters of small, light purple flowers. The leaves are small, green, and have a slightly serrated edge. The background is a soft, out-of-focus green, suggesting a garden or field setting.

Душица

Шалфей

Малина

A close-up photograph of a plant with several small, bell-shaped flowers in shades of purple and pink. The leaves are green and have a fine, white, hairy texture. The background is blurred, showing some dry, yellowish leaves and a grey rock.

Медуница

Одуванчик

Яснотка

A close-up photograph of a single asparagus spear. The tip is tightly packed and has a distinct purple or reddish-purple hue, while the lower part of the spear is a vibrant green. The background is a soft-focus field of many other asparagus spears, creating a sense of a fresh harvest.

Спарџа

Хмель

Календула

Мята

Смородина

Чистотел

The image shows two vibrant yellow flowers of the Mother-in-law plant (Mat' i mачexa) growing from a bed of dry, brown leaves and twigs. The flowers have a dense, rounded head of numerous small florets. The stems are green and appear to be emerging from a protective sheath. The background is a natural, textured ground cover of dried plant matter.
