An aerial photograph of a vast tundra landscape. The foreground and middle ground are covered in low-lying vegetation, including green mosses and lichens, interspersed with patches of brown and yellowish ground. A small, shallow pond is visible in the lower center. In the background, a range of mountains is visible under a cloudy, overcast sky. The word "ТУНДРА" is overlaid in large, bold, orange-to-yellow gradient letters across the center of the image.

ТУНДРА
