Сөембикә манарасы ничә катлы ?

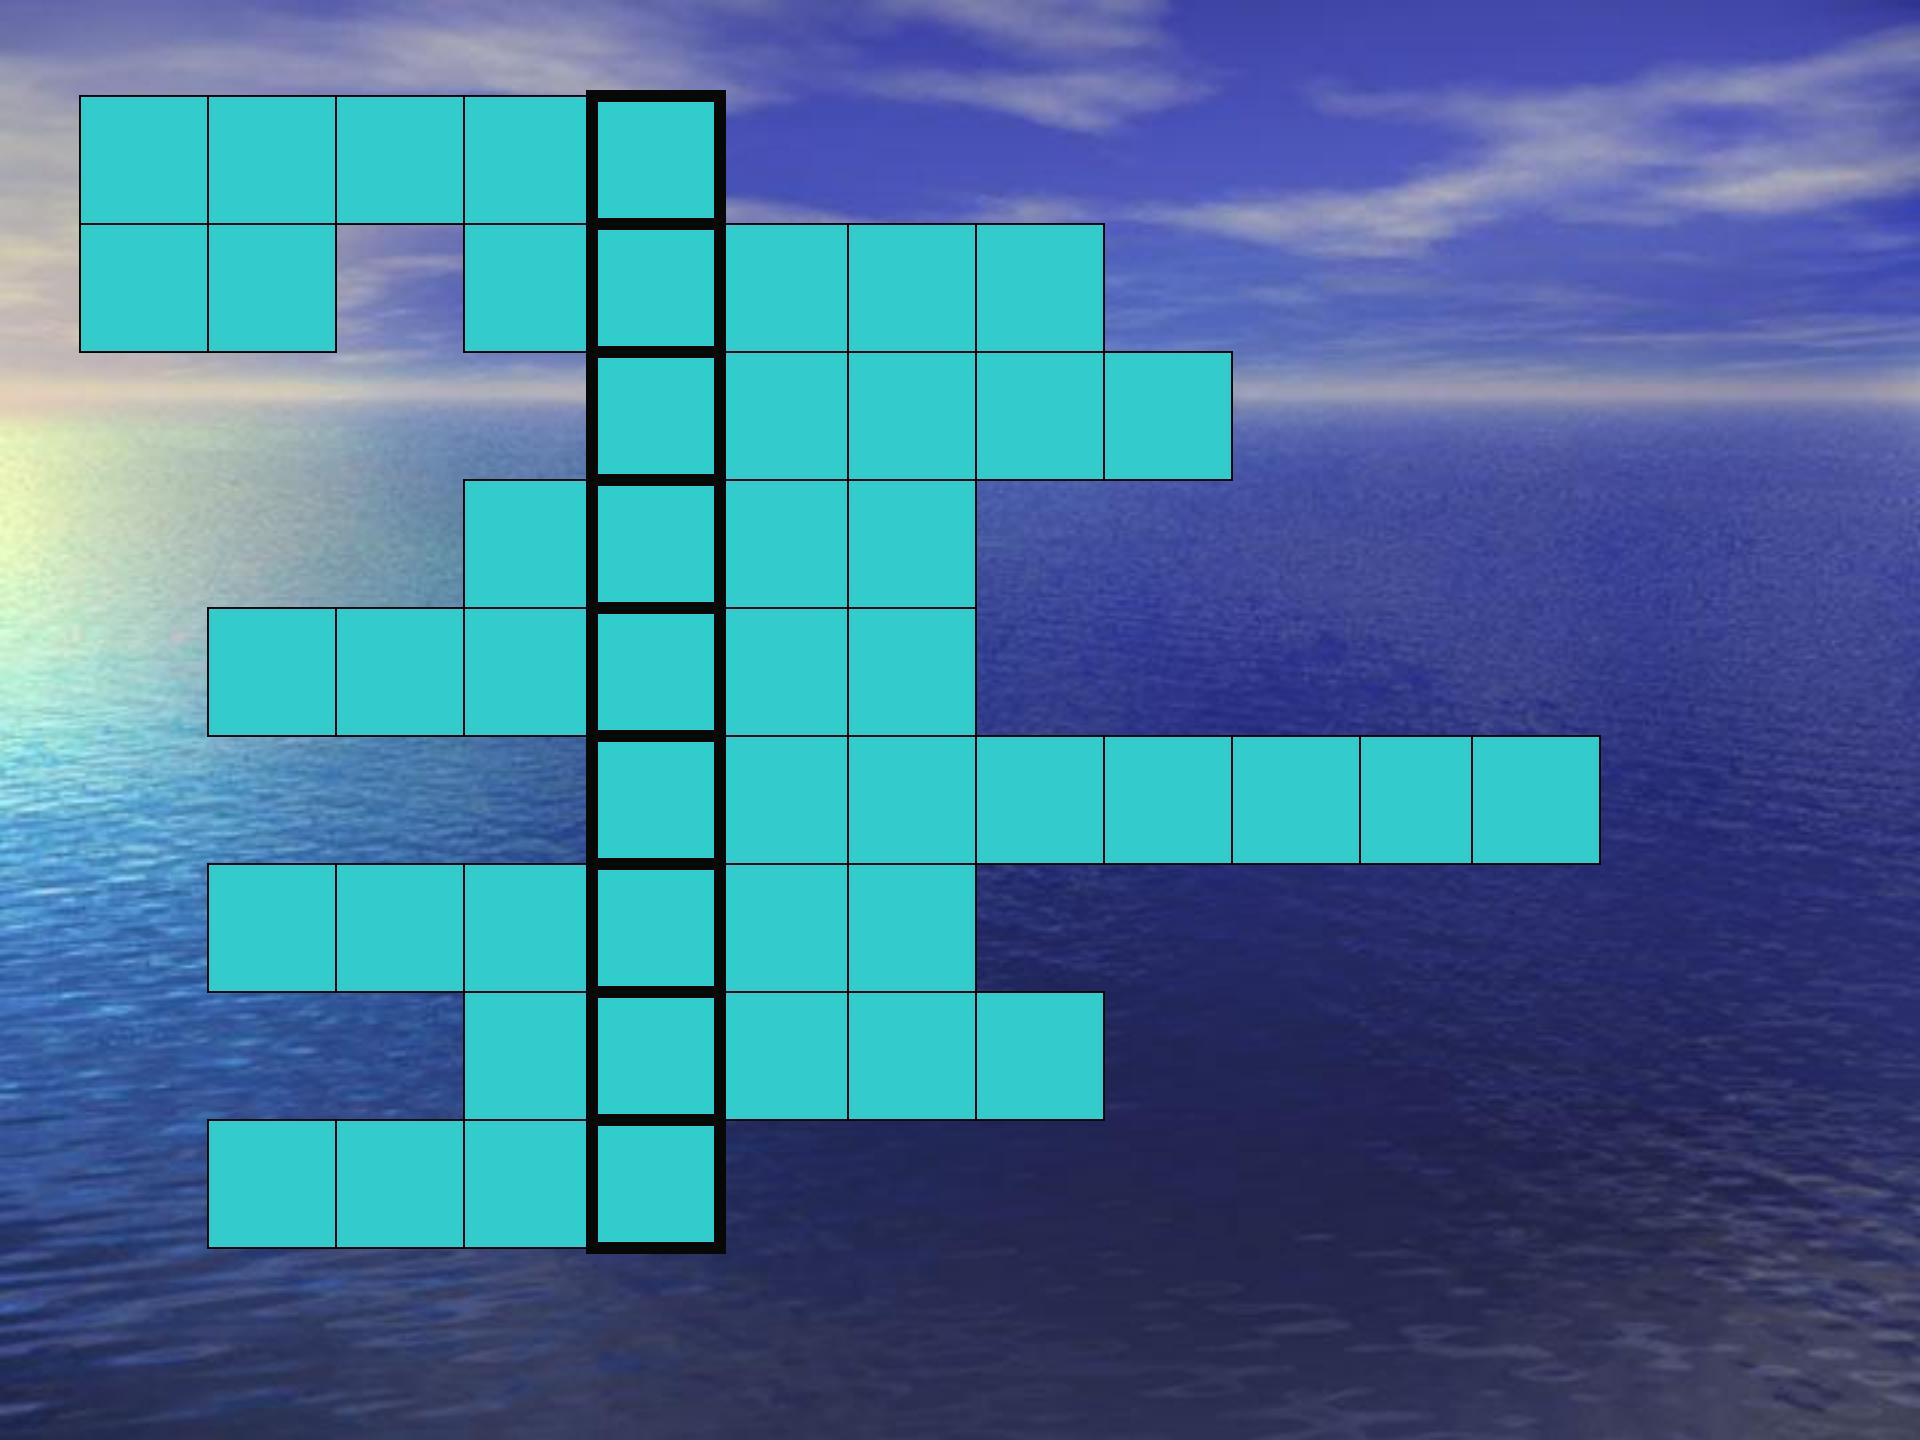

The background of the image is a wide-angle photograph of a seascape. The water is a deep, vibrant blue, with small, gentle ripples across its surface. Above the horizon, the sky is a lighter shade of blue, dotted with wispy, white clouds. In the upper left corner, there's a soft, warm glow from what appears to be the setting or rising sun, casting a golden light over the clouds.

Милли Музей кайда урнашкан?

ФИЗКУЛЬТМИНУТ!!!

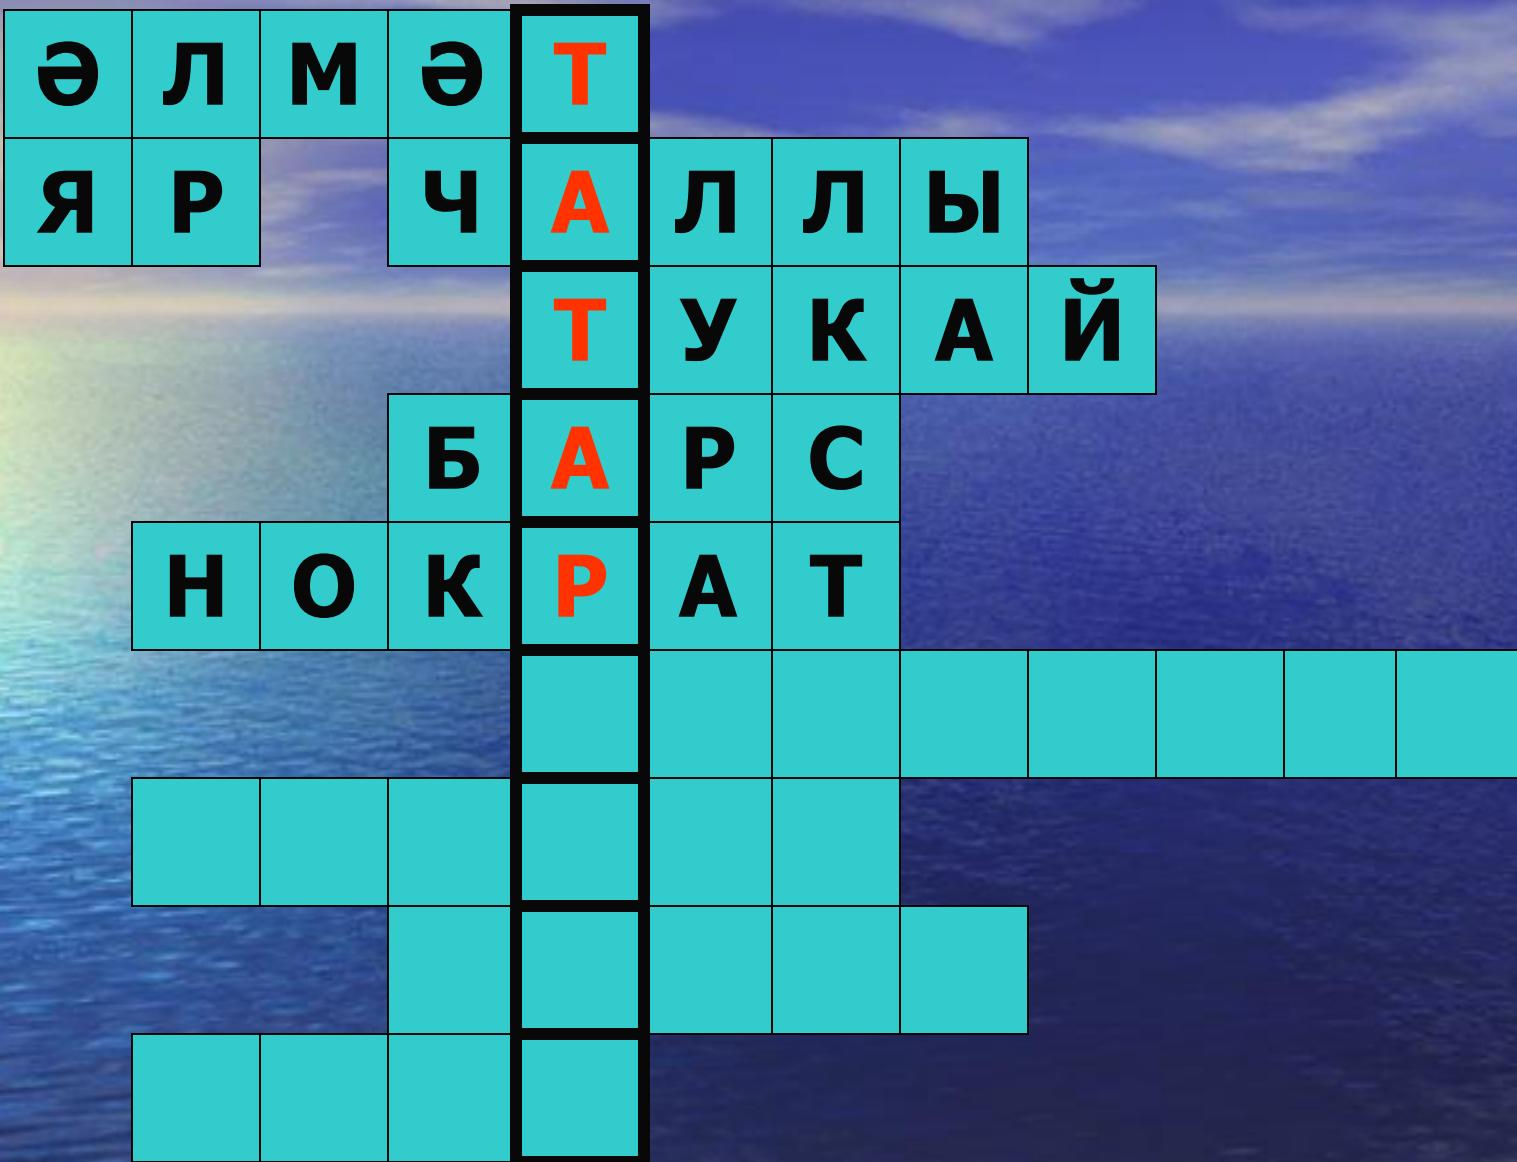

The image shows a 6x6 grid puzzle. The top row contains the letters 'Э', 'Л', 'М', 'Э', and 'Т' in black, with 'Т' being red. The bottom row is entirely filled with blue squares. The middle section of the grid is also filled with blue squares, except for the second column from the right which contains four red squares. The background of the entire image is a photograph of a sunset or sunrise over a body of water, with colors transitioning from orange and yellow on the left to deep blue on the right.

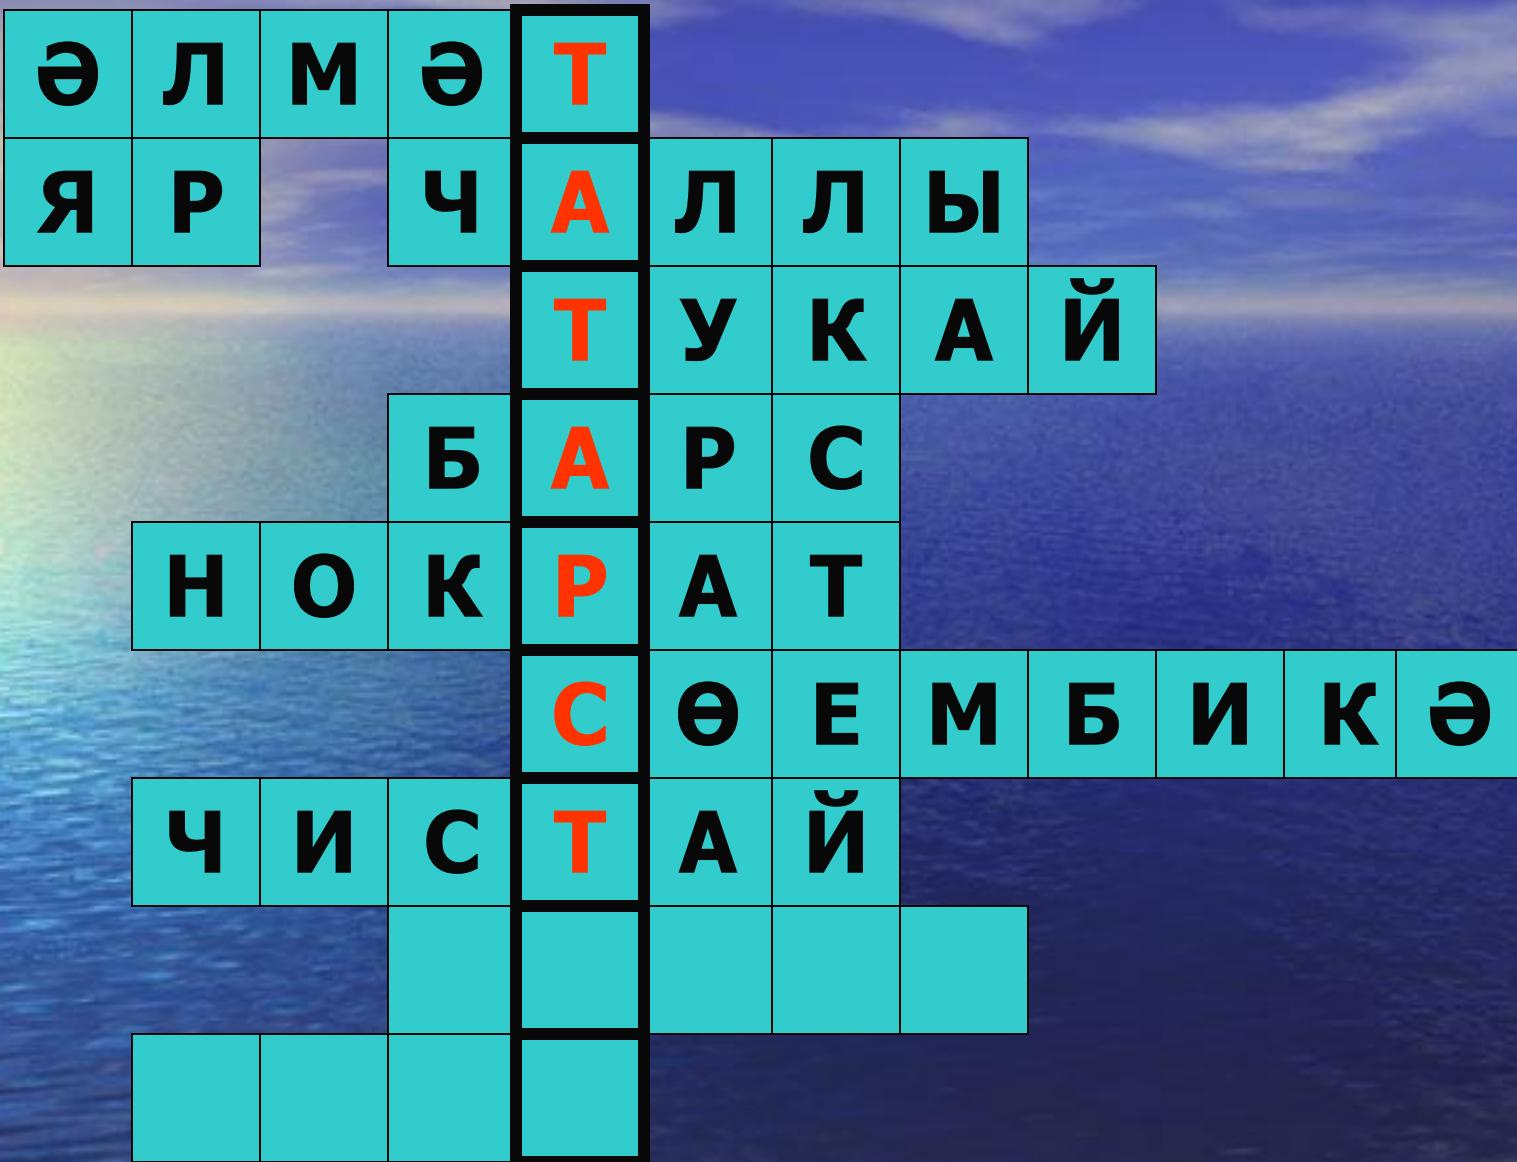

The image shows a large grid of cyan squares overlaid on a blue ocean background. The grid consists of approximately 10 columns and 8 rows of squares. The first three columns of the grid are positioned in the upper left corner, while the remaining columns are distributed across the rest of the frame. The squares are solid cyan and have black outlines. The background is a gradient of blue, representing the ocean and sky.
