

# 4 ЦАРСТВА ЖИВОЙ ПРИРОДЫ

A serene landscape photograph of a lake at sunset. The sun is low on the horizon, creating a bright, golden glow that reflects on the water's surface. Two white swans are swimming in the middle ground, their forms silhouetted against the shimmering water. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue. The overall mood is peaceful and natural.

A large white bird with a long orange beak is flying over a blue ocean. The bird's wings are spread wide, and its reflection is visible in the water. In the background, several other birds are flying against a clear blue sky with a few white clouds. The entire scene is framed by a thick orange border.

КОНЕЦ

A close-up photograph of several long, pointed, vibrant green leaves, likely from an iris plant. The leaves are layered and show a strong vein structure. The lighting is bright, creating a rich green color with some highlights and shadows.
