A vibrant, stylized illustration of a station building. The building is primarily red with white trim around the windows and roofline. A large golden bell with a red ribbon is mounted on the roof. To the right, a clock face is visible on the wall. In the foreground, a person in a white coat and dark hat walks from left to right. The background is a mix of green and blue, suggesting a landscape or sky. The title text is overlaid on a white rectangular background in the center.
