

Аппликация из геометрических фигур. Грузовая машина. 1 класс

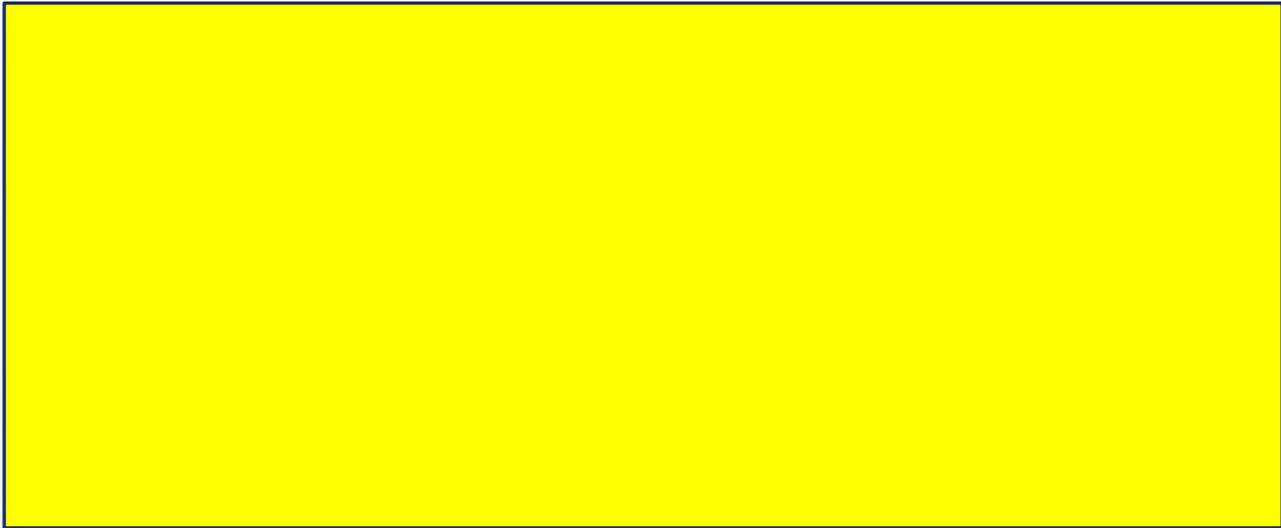

Учитель начальных классов
Барбарич Е.В.

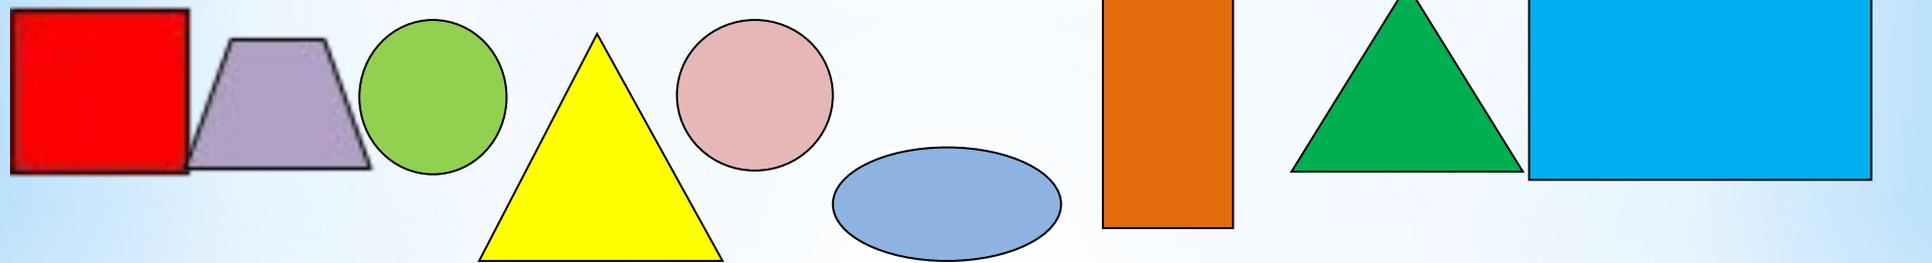

МАОУ «Гимназия №31» г. Саратов

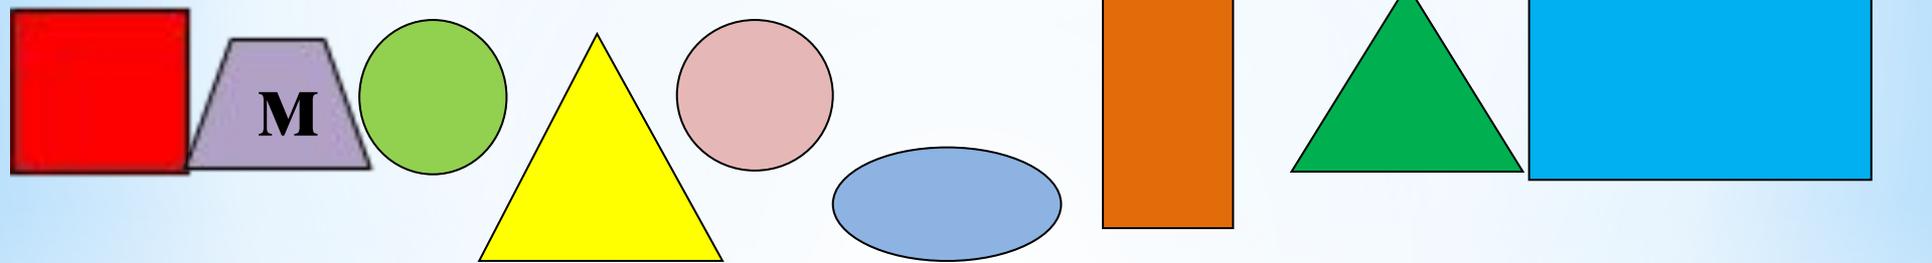

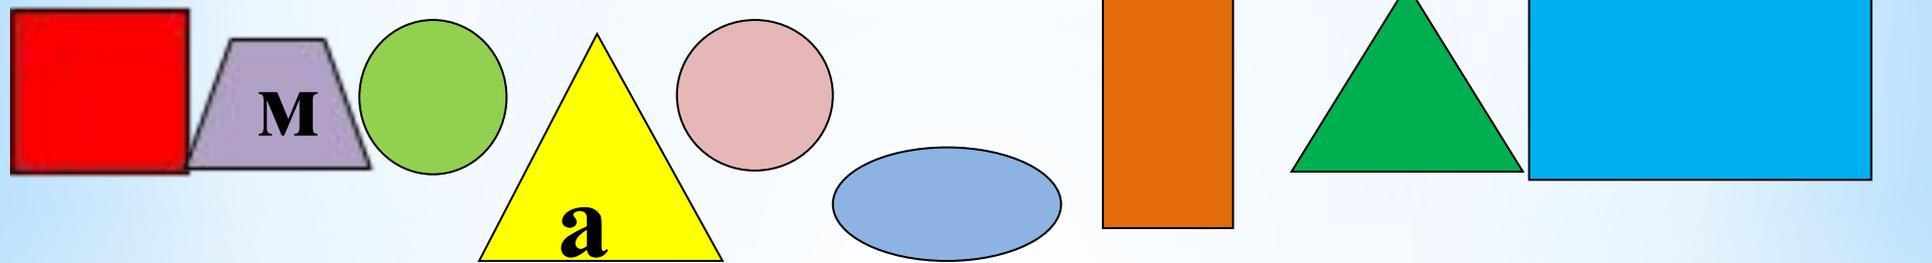

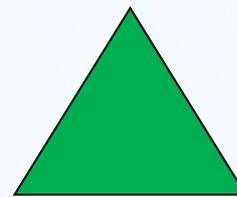

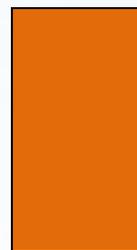

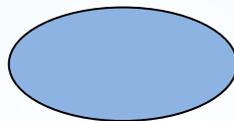

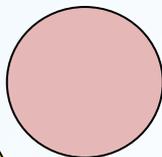

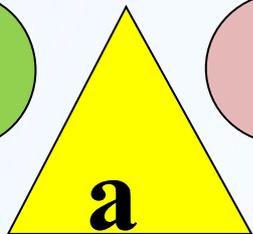

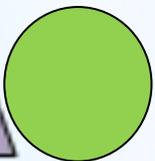

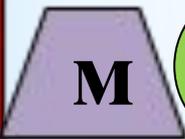

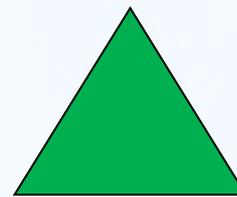

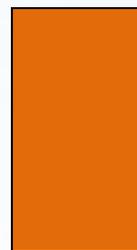

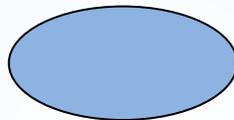

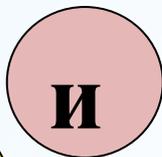

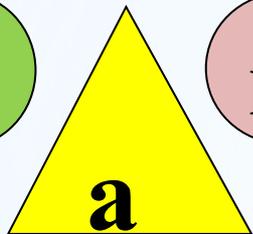

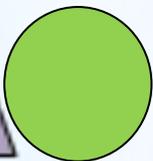

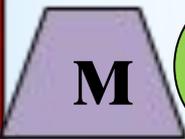

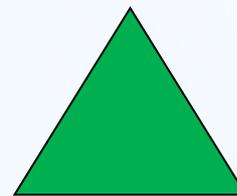

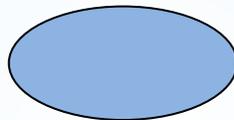

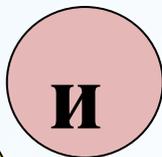

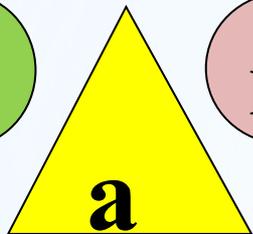

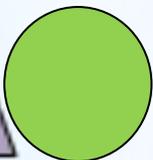

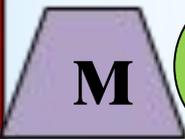

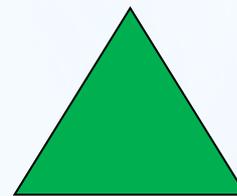

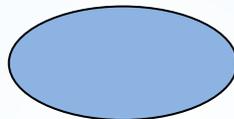

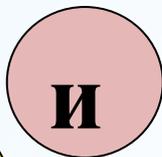

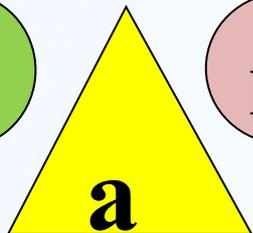

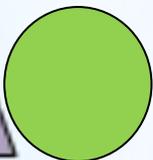

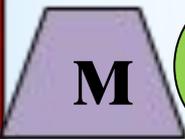

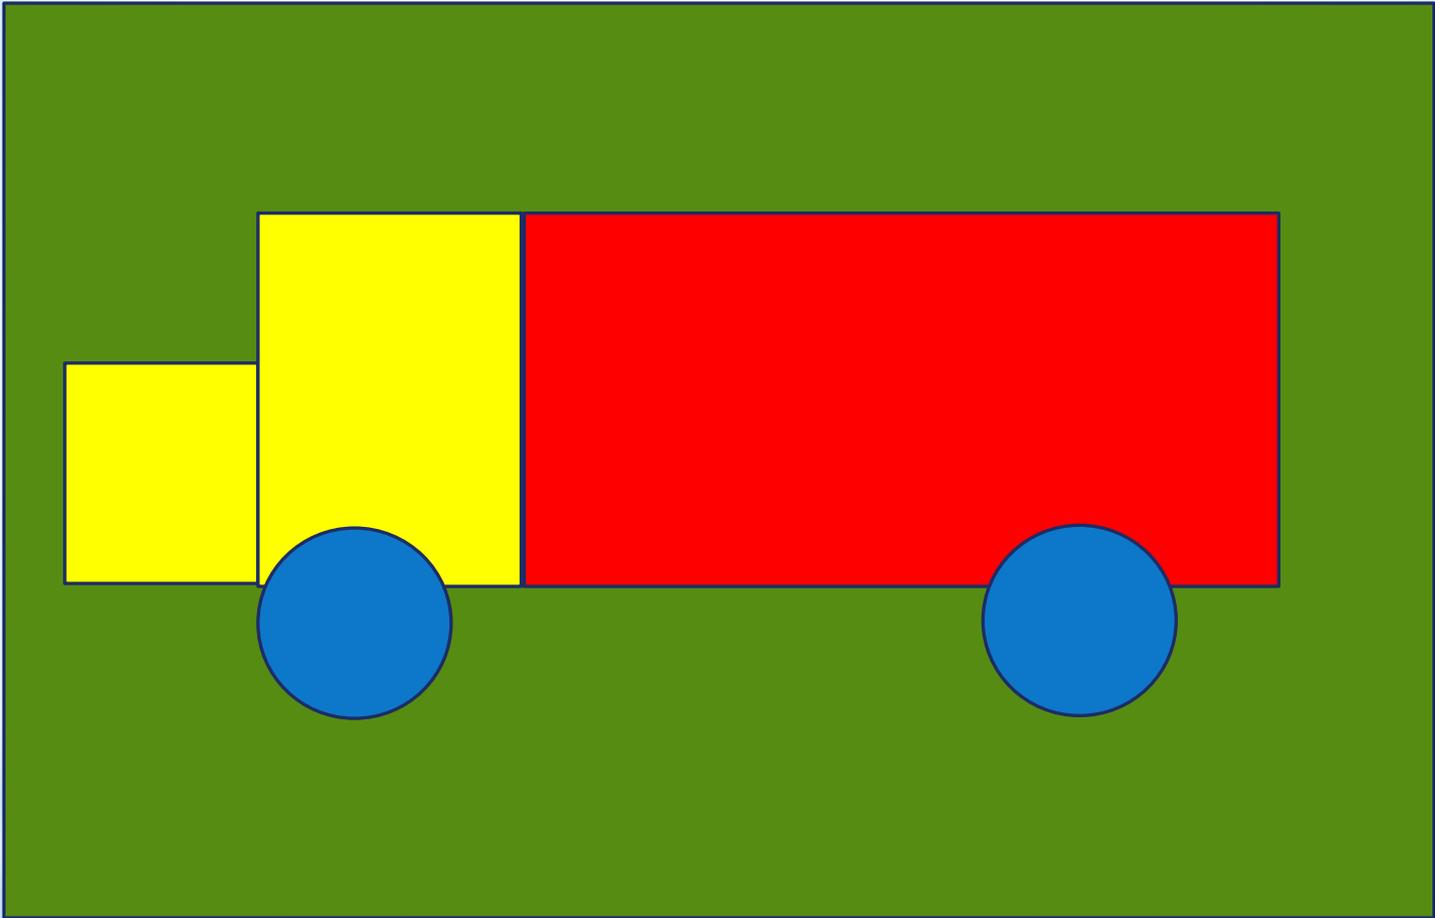

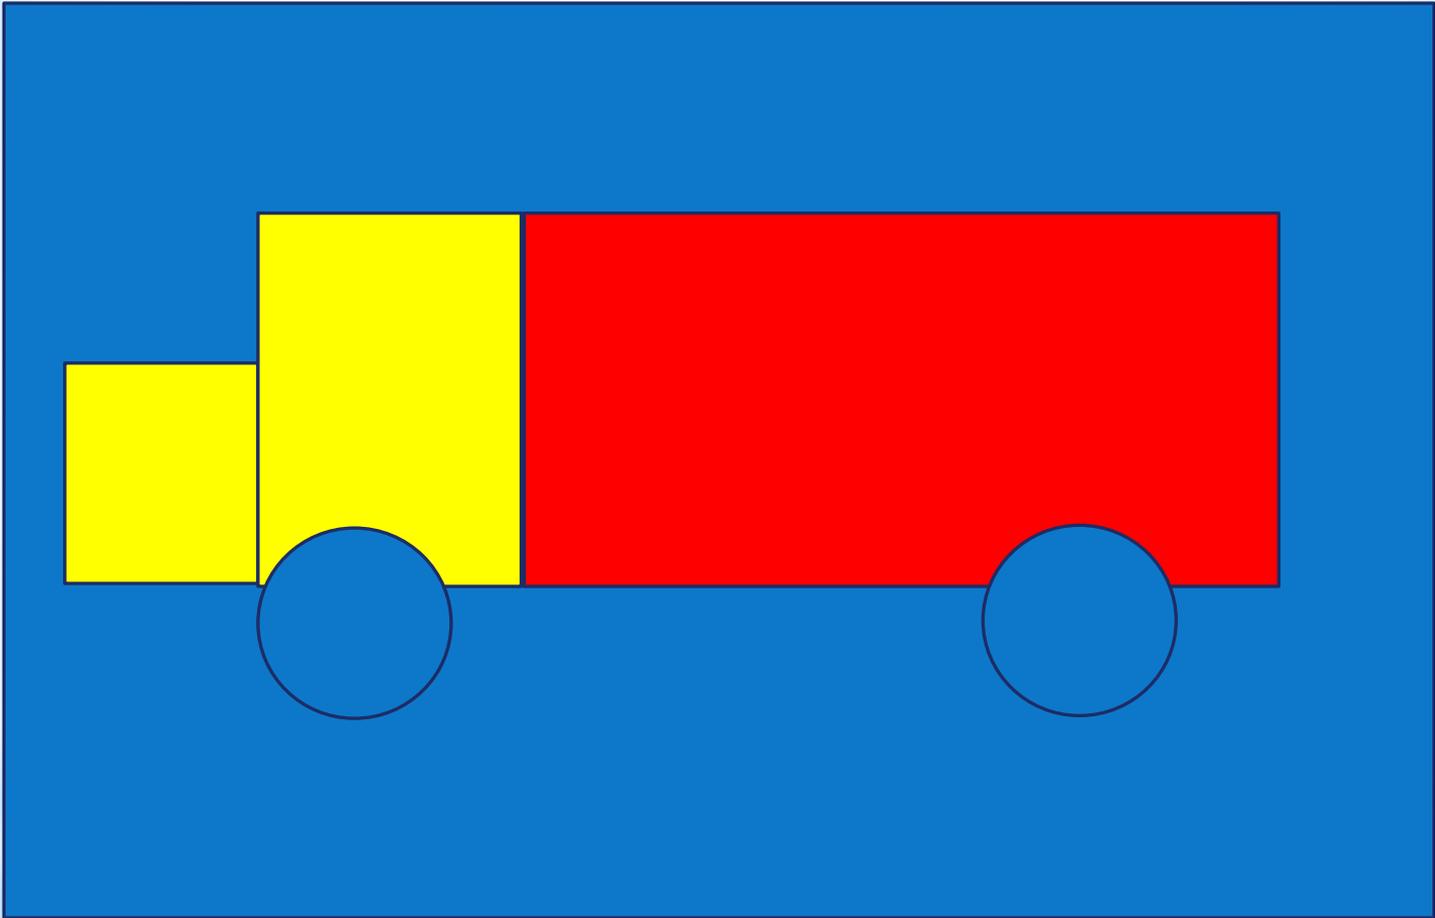

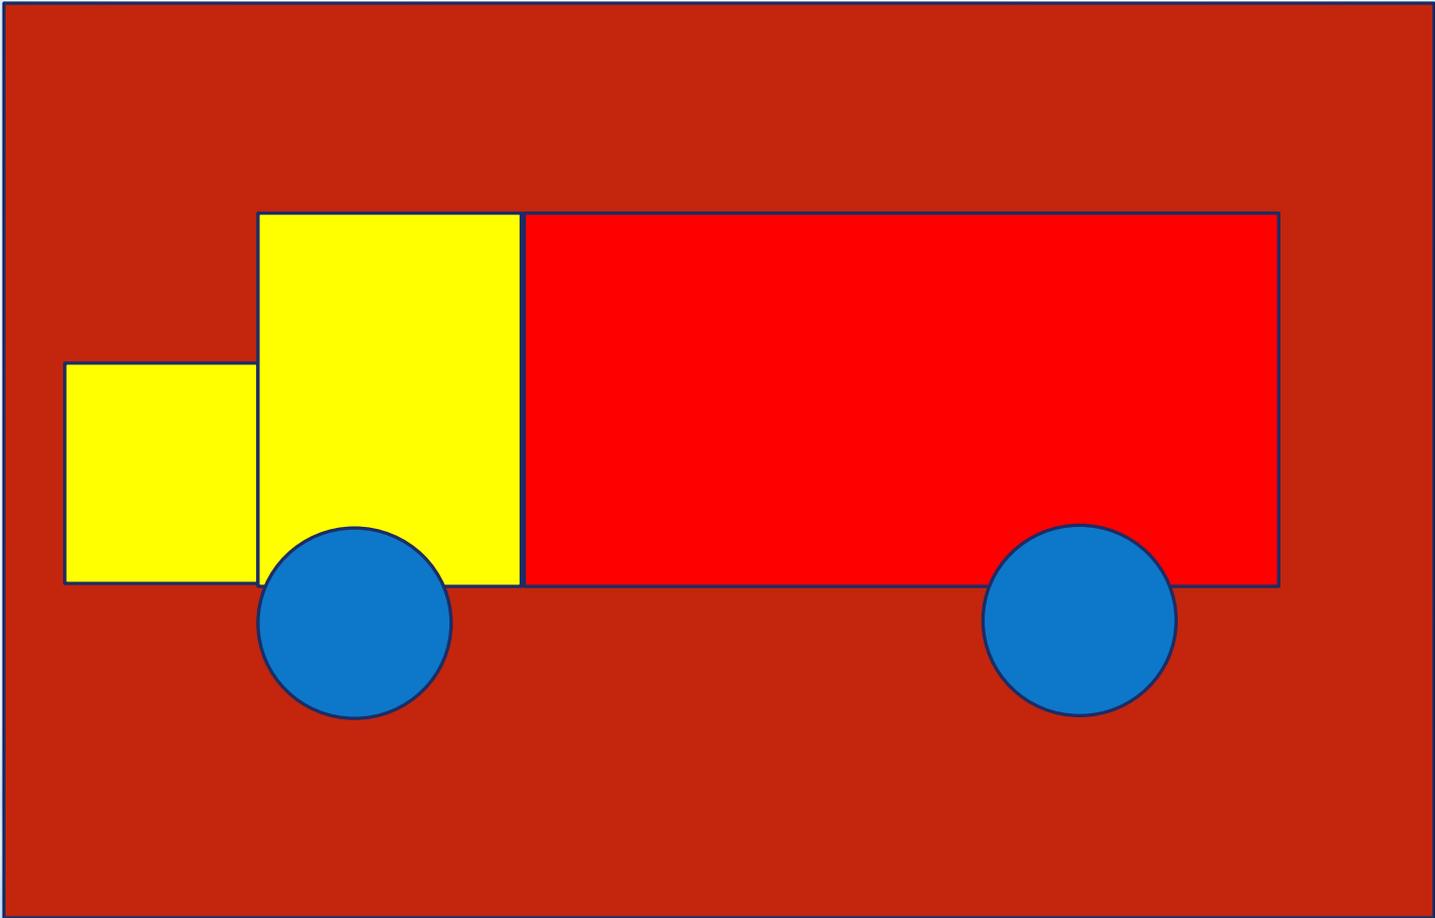

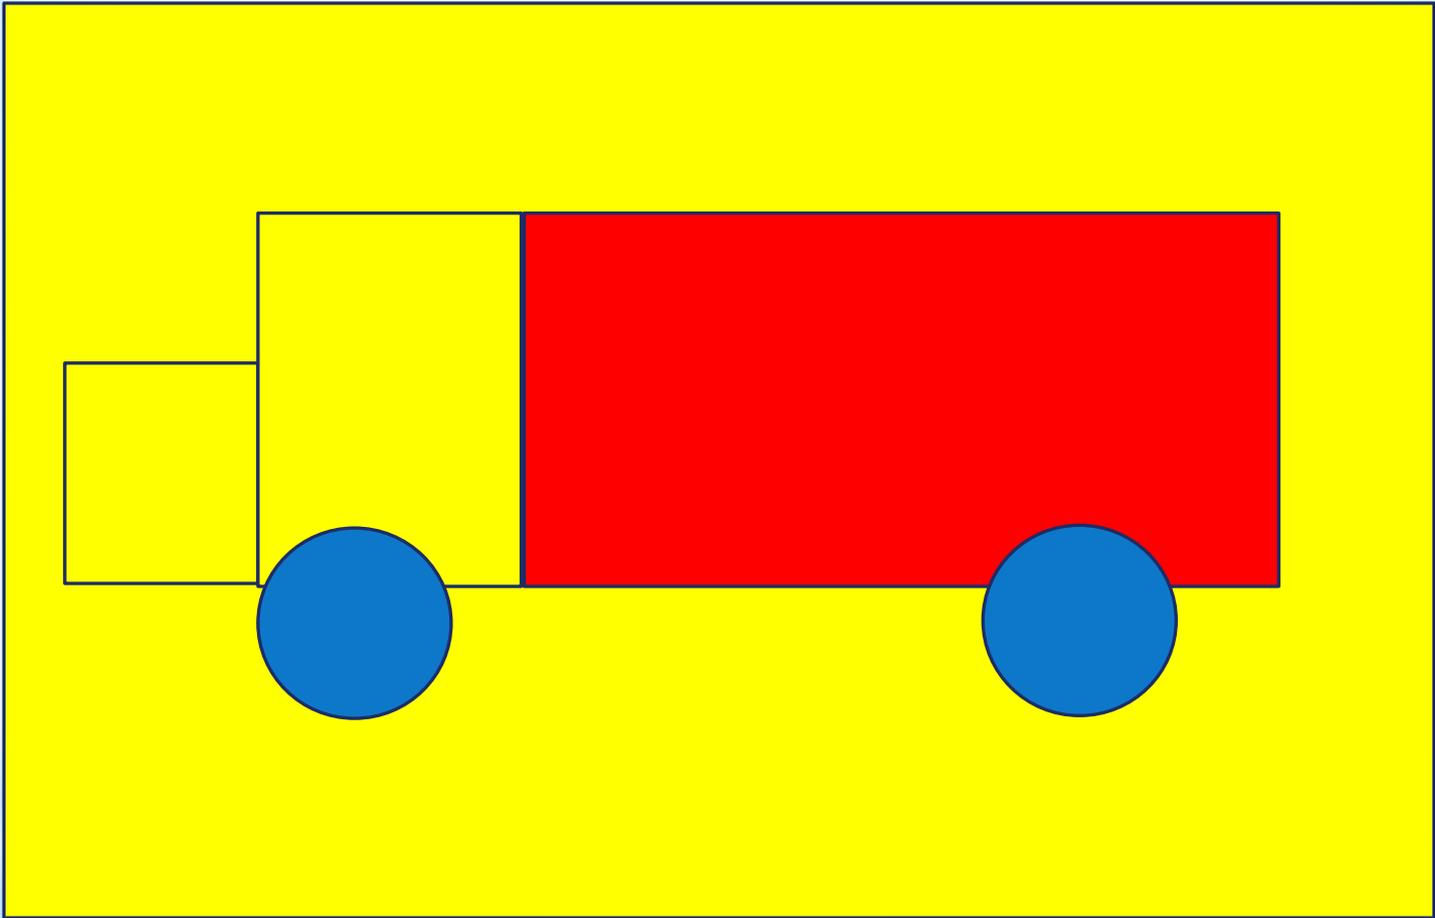

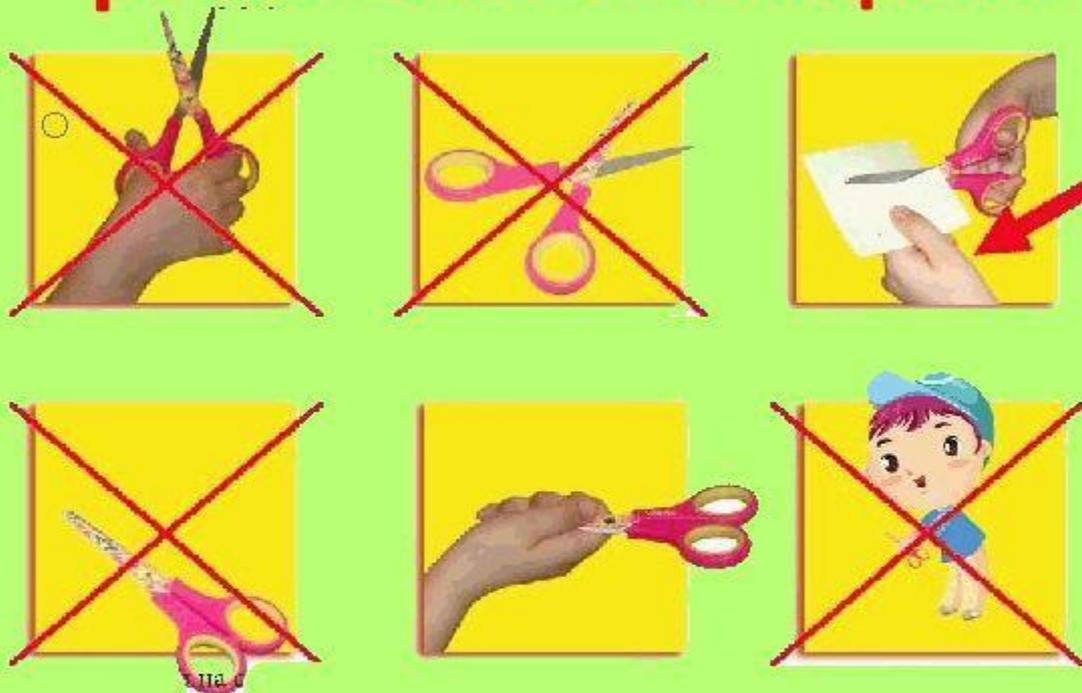

Техника безопасности при работе с ножницами

1. Не держи ножницы концами вверх
2. Не оставляй ножницы в открытом виде
3. При работе **сведи** за пальцами левой руки
4. Клади ножницы так, чтобы они **не свешивались** на край стола
5. Передавай ножницы **в закрытом виде** кольцами в сторону товарища
6. **Не режь** ножницами на ходу

*** При работе с клеем пользуйся кисточкой, если это необходимо.**

*** Бери то количество клея, которое необходимо на данном этапе работы**

***Излишки клея
убирай мягкой
тряпочкой или
салфеткой и
осторожно
прижимая её.**

* После работы
закрой клей и
убери

*** После работы
вымой кисточку
и руки с мылом.**
