

Урок математики

1 класс

Цифры 6,7 . Письмо цифры 7.
Учитель Зацепина Т.Н.

$$4 - \square =$$

$$4 - \square = 2$$

$$3 + \square = 5$$

$$\square = 3$$

$$\square + 2 =$$

$$4 + \square = 5$$

$$\dots \square =$$

$$3 \square$$

$$5 - \square =$$

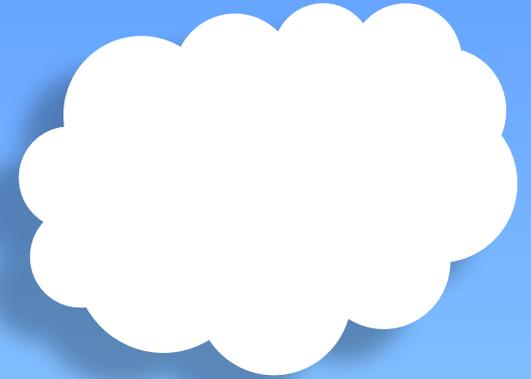

$$1$$

$$3 + \dots =$$

$$3$$

$$5 - \dots =$$

$$4$$

$$4 - 1 = 3$$

$$4 - 2 = 2$$

$$3 + 2 = 5$$

$$2 - 1 = 1$$

$$1 + 2 = 3$$

$$4 + 1 = 5$$

$$5 - 1 = 4$$

$$3 + 1 = 4$$

$$5 - 2 = 3$$

- Понеделник, септември, октомври.
- Треугольник, квадрат, кръг.
- Волк, собака, лиса.

Из гнезда выглядывают 4
клювика. Сколько там
птенцов?

A vibrant photograph of a forest landscape. In the foreground, there are lush green ferns and grasses. A river with clear, blue water flows through the middle ground, bordered by fallen logs and rocks. The background is filled with tall, moss-covered trees, likely spruce or fir, creating a dense green canopy. The overall scene is bright and natural.

И по соснам и по елям,
Быстро бегают она.
Видит шишки где спели,
Где грибная целина.
