ЛЕТО

A photograph of a winter forest. The scene is filled with snow-covered evergreen trees, likely spruce or fir, and several tall, thin deciduous trees without leaves. A path or clearing is visible in the foreground, also covered in snow. The lighting suggests a bright day, with shadows cast on the snow. The word "ЗИМА" is written in large, bold, red Cyrillic letters across the center of the image.

ЛЕТО

A painting of a forest scene with a stream. The trees are bare, suggesting a winter or late autumn setting. The water in the stream is dark and reflects the surrounding trees. The ground is covered in light-colored rocks and patches of green moss. The overall style is impressionistic with visible brushstrokes. The word "BECHA" is overlaid in large, bold, blue, sans-serif capital letters across the center of the image.

BECHA

A young girl with long blonde hair, wearing a silver sequined dress and black shoes, is crouching in a forest. She is surrounded by a thick layer of fallen yellow and orange leaves. She has her arms outstretched, and several leaves are captured in mid-air around her, suggesting she has just thrown them. The background shows a dense forest of trees with soft, dappled sunlight filtering through the canopy. The overall mood is joyful and autumnal.
