A vibrant field of daffodils. In the foreground, a single white daffodil with a bright yellow center is in sharp focus on the left. To its right, a cluster of two white daffodils with yellow centers is also in focus. The background is filled with many more daffodils, some in bloom and some as buds, all slightly out of focus, creating a sense of depth. The overall color palette is dominated by greens and yellows, with the white of the petals providing a clean contrast.
