**ОКТАБРЬ**

**НОЯБРЬ**

A winter scene with snow-covered trees and falling autumn leaves. The image features a path leading through a forest of trees heavily laden with snow. Several large, vibrant autumn leaves in shades of orange, yellow, and red are shown in mid-air, as if falling from the trees. The overall atmosphere is serene and transitional, capturing the end of autumn and the beginning of winter.

СО

Ноябрь, уходит осень...

Щедрой осенью!
