A vibrant, cartoon-style illustration of a sky scene. A large, multi-colored rainbow arches across the center. The sky is a gradient of light blue and yellow. In the top left, there are stylized, bubbly clouds in shades of blue and green, with small silver spheres floating nearby. In the top right, a bright yellow sun with wavy rays sits atop a green cloud. The bottom of the image features a lush forest scene with rolling green hills, a prominent red mushroom with white spots, smaller mushrooms, and various colorful flowers. The overall style is bright and cheerful.
