A photograph of a dense forest. In the foreground, a stream flows through a clearing, with a large pile of logs and branches partially submerged. The water is dark and reflects the surrounding trees. The forest is composed of tall, thin trees, likely spruce or fir, with a thick canopy. The ground is covered in fallen leaves and twigs. The overall atmosphere is quiet and somewhat somber.

# ДРЕМУЧИЙ ЛЕС

A photograph of a dense forest with a stream and a pile of logs. The forest is filled with tall, thin trees, and the ground is covered in fallen leaves and branches. A stream flows through the center of the forest, and a large pile of logs is visible in the foreground. The overall atmosphere is quiet and serene.
