

A whimsical illustration of a castle on a cloud. The castle has a red conical roof with a yellow star, a green turret, and a brown base with heart patterns. A set of yellow stairs leads up to the entrance. The scene is set against a dark blue night sky with a large, glowing full moon. A stream of golden stars and sparkles flows from the moon towards the castle. In the foreground, a small rabbit is sitting in a green teacup, floating on a cloud. The overall atmosphere is magical and dreamlike.
