The image features a decorative border and a large background pattern. The border is a red line with a stepped, square-like pattern. The background pattern is a large, faded version of the central motif, which is a square with rounded corners, divided into four quadrants by a white cross. Each quadrant contains a spiral pattern. The central motif also includes a green triangle at the bottom and two yellow circles on the left and right sides. The text "Кугу тау!" is centered in a blue, serif font.

Кугу тау !
