здравствуй, школа!**

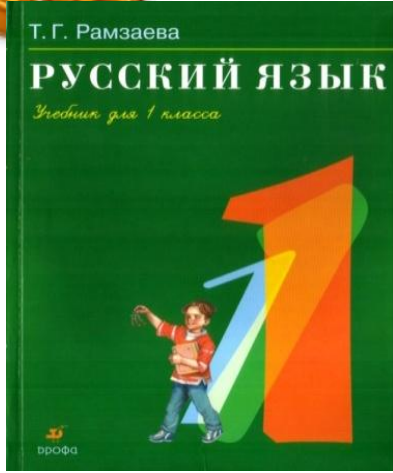

A vibrant collage of school-related items. In the top left, a microscope is partially visible with two golden bells tied with a red ribbon. Below it, a test tube with green liquid and a black funnel are shown. In the bottom left, there are bright red carnations. The center features a blue and white globe on a wooden stand, with a blue and white compass in front of it. To the right, a wire pencil holder contains several colorful pencils. The background is a mix of blue grid patterns, autumn leaves, and a large orange sun-like shape.

A vibrant collage of educational and seasonal icons. In the top left, two golden bells with red bows hang against a blue grid background. Below them is a black microscope. To the right, a globe on a wooden stand is surrounded by autumn leaves in shades of orange, yellow, and green. In the foreground, a blue and white compass with a red needle is positioned next to a wire mesh pencil holder filled with colorful pencils. On the left, there are laboratory glassware including a beaker with green liquid and a flask, along with red carnations. The background features a large white scroll and a map of the world.
