An abstract graphic design featuring a large, semi-transparent white circle on the left side. From this circle, several thin, white, curved lines radiate outwards, creating a sense of movement and flow. The background is filled with various overlapping, semi-transparent shapes in a vibrant color palette including blue, purple, orange, yellow, pink, and red. These shapes are organic and fluid, resembling water droplets or soft, flowing forms. The overall composition is dynamic and visually appealing, set against a plain white background.

An abstract graphic design featuring a large white circle on the left, surrounded by various colorful, overlapping shapes in shades of blue, purple, orange, yellow, and red. Thin, white, web-like lines connect different points across the composition. A long, thin red line extends from the right side of the graphic towards the center.
