

The background is a vibrant, abstract composition. It features a light blue and green color palette. In the upper left, there are several overlapping circular patterns with concentric lines in shades of green and white. A branch with green leaves and white flowers, along with a yellow and orange butterfly, extends from the top left towards the center. Another butterfly is positioned on the right side. The bottom half of the image is filled with soft, out-of-focus white and light green shapes, resembling petals or leaves. The overall aesthetic is clean, modern, and nature-inspired.

# СОСТАВЬ РЕБУС

Макрос создан программистом Хансом Хофманом (Германия)

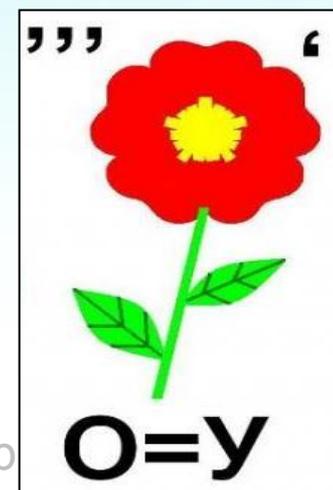

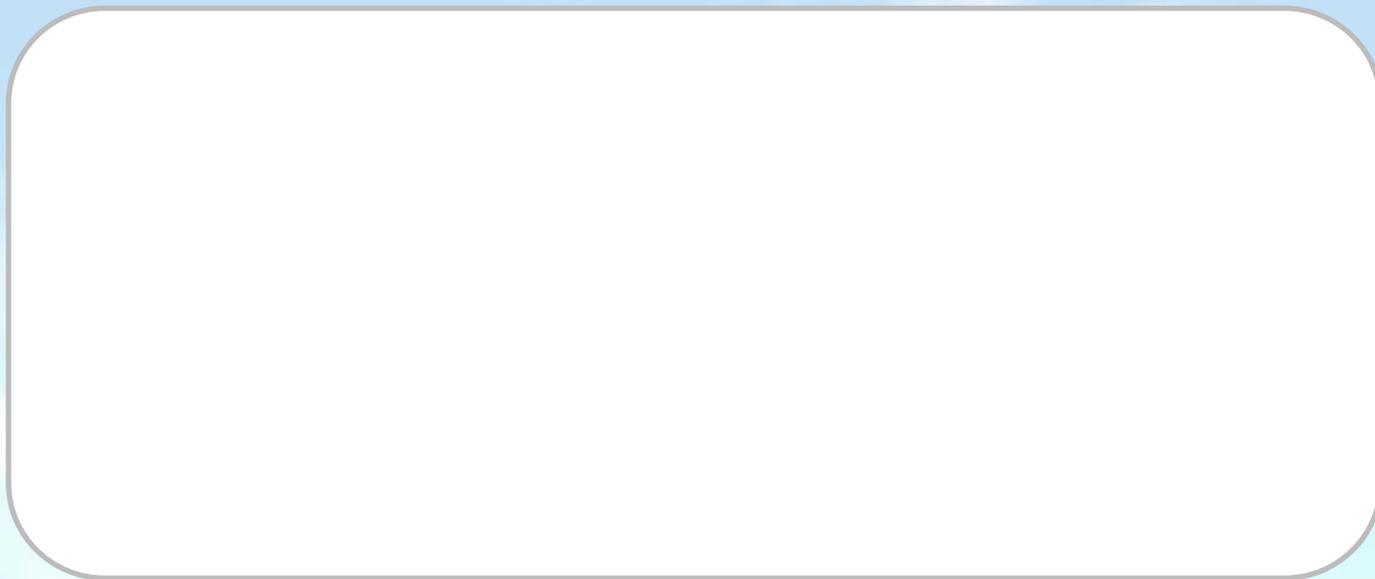

## Дорогой друг!

Ты уже научился разгадывать ребусы, а теперь попробуй их составлять. Тебе предлагается слово и набор карточек из которых ты должен собрать ребус к данному слову. Будь внимателен, ведь количество карточек больше, чем тебе нужно. Щёлкни по нужной карточке и перенеси её на игровое поле и опять сделай щелчок. Собрав один ребус, переходи к следующему заданию.

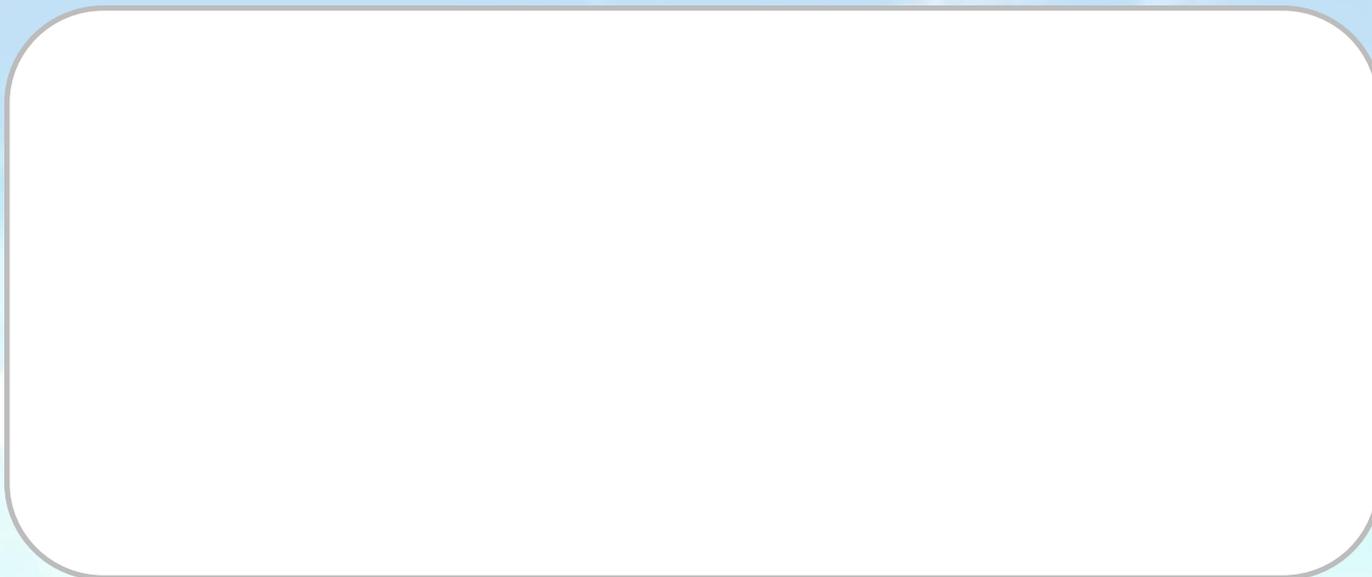

Удачи тебе!
