Grammar in Focus

Present progressive Tense in the future meaning

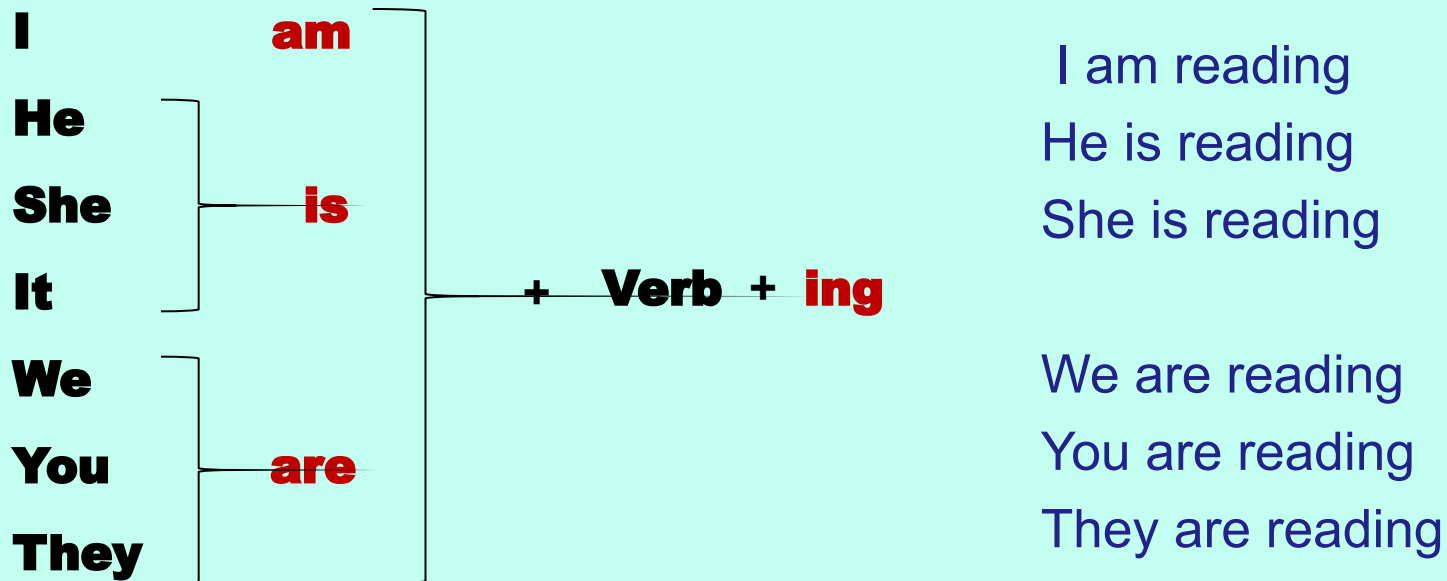

**Настоящее длительное время в значении
будущего действия**

1. Present Progressive Tense употребляется

КОГДА МЫ ГОВОРИМ О ТОМ ЧТО ПРОИСХОДИТ

В НАСТОЯЩЕЕ ВРЕМЯ, В МОМЕНТ РЕЧИ.

Present Progressive образуется при помощи вспомогательного глагола **to be (am, is, are)** и основного глагола с окончанием **- ing**

Masha _____

The Bear _____

They _____

Masha **is reading**.

The Bear **is dancing**.

They **are skating**.

2. Present Progressive Tense употребляется когда мы описываем **будущие действия, которые заранее спланированы и подготовлены**

We are going to Britain soon.

Мы скоро едем в Британию.

(Маршрут уже выбран,
билеты куплены,
чемоданы упакованы)

What part of Britain are they travelling to?

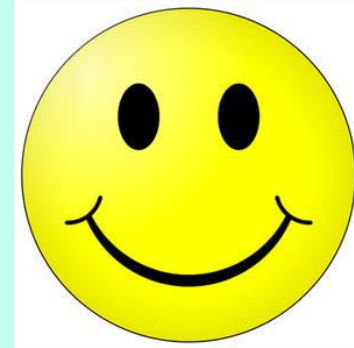

Melany

**Melany is packing her things now.
(go on holidays
tomorrow)**

She **is going on holidays tomorrow.**
