

A vibrant, colorful illustration of various children's toys. In the foreground, there are several large, multi-colored alphabet blocks with letters like 'С', 'D', 'A', and 'B'. Other blocks feature numbers like '1' and '0', and various animal and nature illustrations such as a giraffe, a butterfly, a sun, and a flower. The background is a soft, abstract blend of warm colors like orange, yellow, and blue, with some circular patterns and a purple object resembling a toy hammer or pencil. The overall style is bright and playful, typical of children's educational materials.
