

**Пусть суровые ветры
нам дуют в лицо
Все пути нам, ребята,
открыты,
Мы поднимемся к
звездам,
Мы искатели, мы-
следопыты..**

Путешествие в КОСМОС

$$30+7=37$$

$$47-5=42$$

15 декабря.

Алгоритм решения.

1. Прочитай уравнение.
2. Назови действия и компоненты.
3. Вспомни, как найти неизвестный компонент.
4. Запиши и вычисли.
5. Проверь.

The background is a complex digital illustration. On the left, a semi-transparent globe is surrounded by white particle tracks and circular patterns. In the center, a bright starburst of light is surrounded by radiating lines. On the right, there are intricate white geometric patterns. At the bottom, a series of curved, overlapping lines in shades of blue and yellow create a sense of motion and depth. A solid blue rectangular box is centered in the lower half of the image, containing the text 'Физминутка' in white.

Физминутка

Физминутка

The background is a complex, abstract composition in shades of blue and white. On the left, a large, semi-transparent sphere is visible, surrounded by intricate white line patterns that resemble a molecular or atomic structure. In the center and right, there are dynamic, flowing grid-like structures that appear to be part of a larger, curved surface. Two bright, starburst-like light sources are positioned in the upper right quadrant, casting rays of light across the scene. The overall aesthetic is scientific and futuristic.

Молодцы!
