$$9 + 2$$

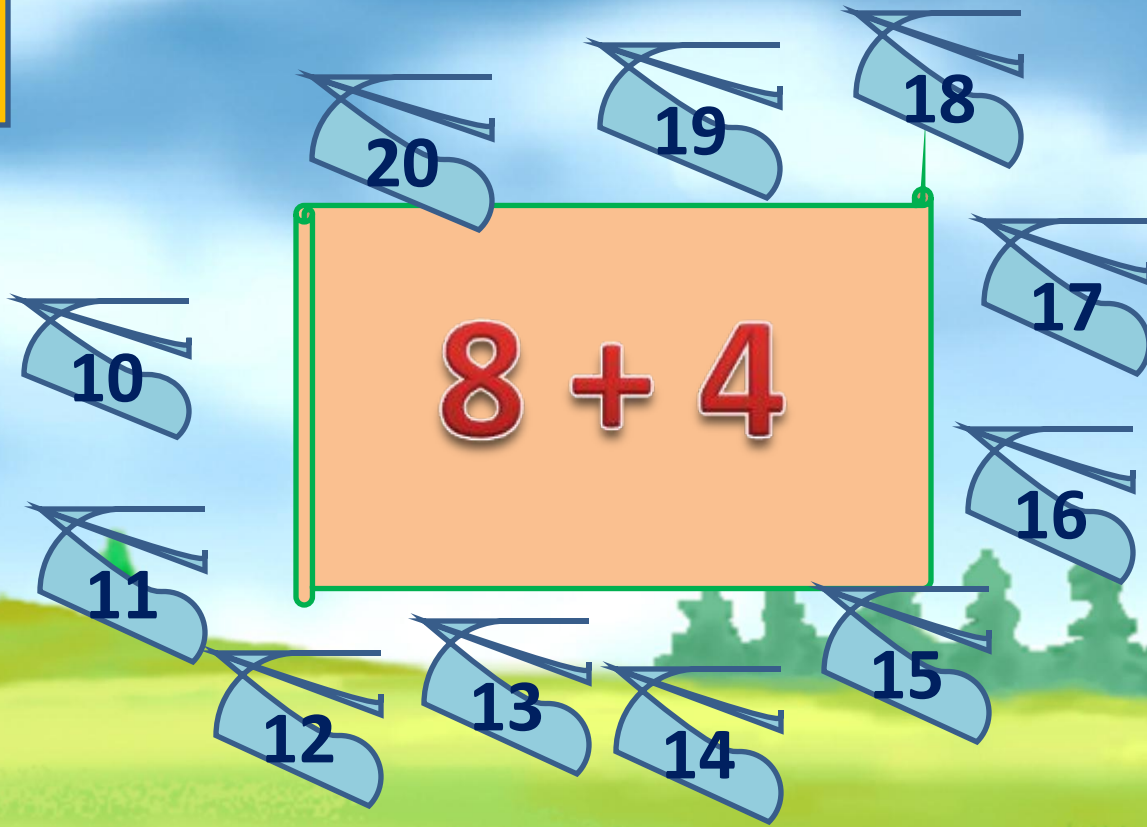

$$7 + 4$$

A central orange rectangular board with a green border contains the equation $9 + 4$ in large red numbers. Surrounding the board is a circular arrangement of ten blue, sail-like shapes, each containing a number from 10 to 20. The numbers are arranged in a clockwise sequence starting from the top-left: 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, and 20. The background features a bright blue sky with white clouds, a green field with colorful flowers, and a line of green trees on the horizon.

A central orange rectangular board with a green border contains the equation $7 + 5$ in large red numbers. Surrounding the board is a circular arrangement of ten blue flags, each with a black outline and a white number. The flags are numbered 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, and 20, arranged in a clockwise direction starting from the top-left. The background features a bright blue sky with white clouds, a green field with colorful flowers, and a line of green trees on the horizon.
