Дорогой друг!

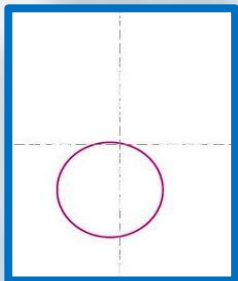

**Сегодня мы будем учиться
рисовать веселого снеговичка-
лыжника.**

**Возьми в руки карандаш. Рисуй
плавно, едва касаясь бумаги,
линии делай тонкие. Помни, что
часть линий у тебя будет
вспомогательными, и в конце
работы их нужно стереть.
Итак, нажимай на маленькие
картинки и рисуй.**

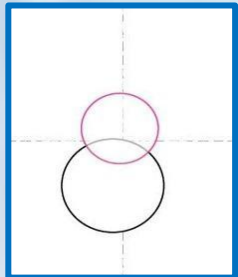

**Желаю
удачи!**
