

**Алёнушка, сестрица моя!  
Выплывь, выплывь на бережок.  
Костры горят высокие,  
Котлы кипят чугунные,  
Ножи точат булатные,  
Хотят меня зарезати!**

# Волк

# Иван

An illustration for a children's book. In the center, a young man with a red cap and a red tunic with a white patterned skirt walks towards the left. He is looking at a large, golden, shimmering object that looks like a giant's hair or a magical object. To his right, a grey wolf stands on its hind legs, looking at the man. The background is a lush green forest with a large tree on the left and a castle with a red roof in the distance. The title is written in large, yellow, stylized letters at the bottom left.
