"Здравствуйте, ребята!  
Приезжайте в гости. Жду  
вас с нетерпением."

A three-masted sailing ship with white sails is shown on a dark, choppy sea under a cloudy sky. The ship is viewed from a low angle, emphasizing its size. Several blue, irregularly shaped callouts containing math problems are scattered across the image. At the bottom, there are several grey rectangular boxes, some of which are partially obscured by the ship's hull.
