урок - путешествие

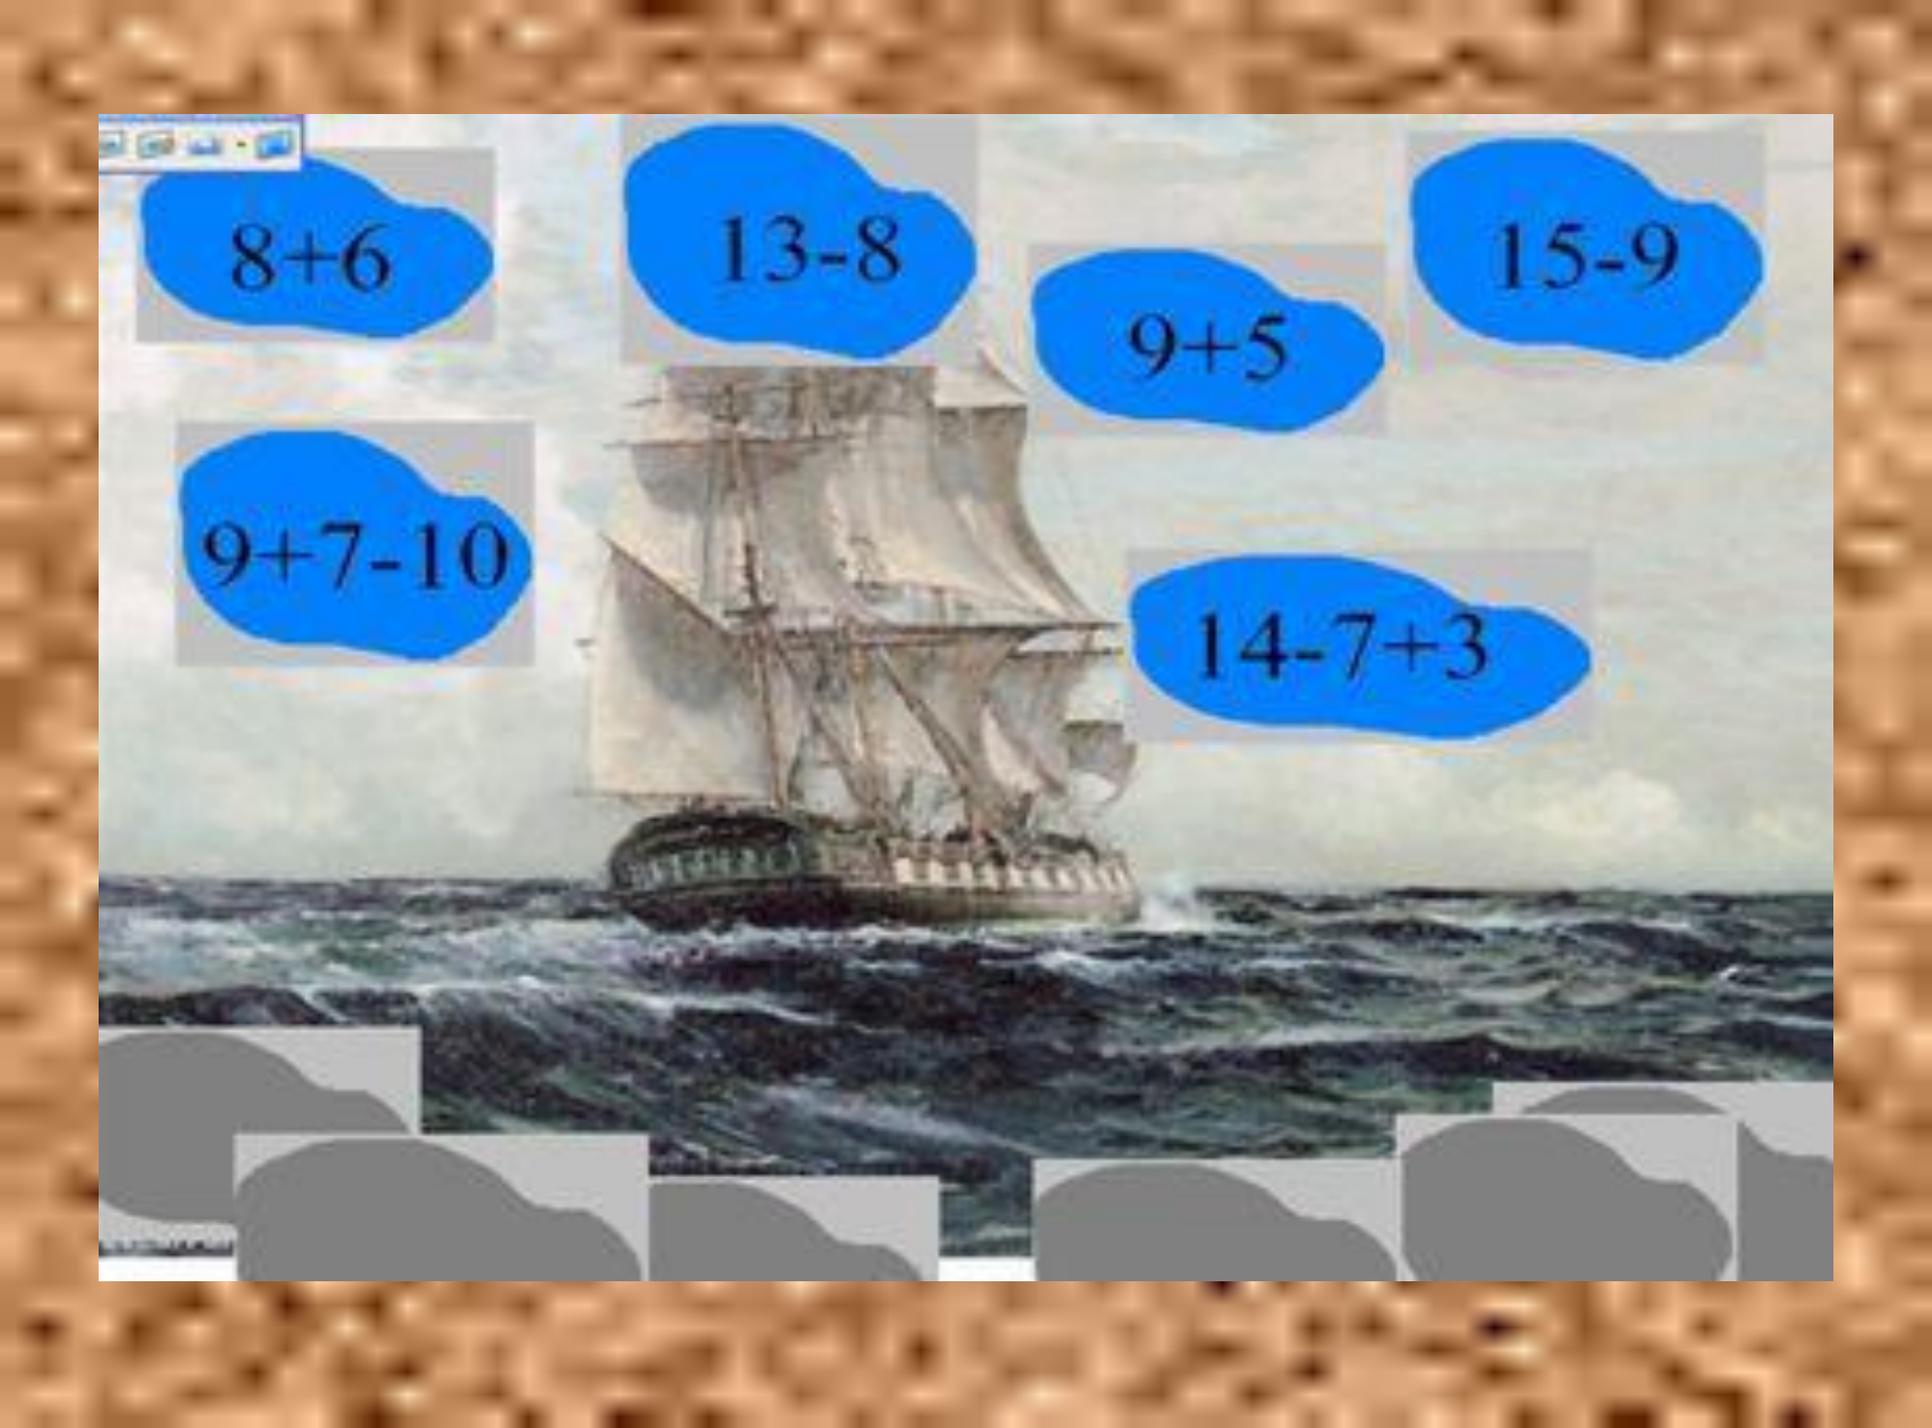

"Здравствуйте, ребята!
Приезжайте в гости. Жду
вас с нетерпением."

Робинзон Крузо

*Пожалуйста,
займите свои места.*

A three-masted sailing ship with white sails is shown on a dark, choppy sea under a cloudy sky. The ship is viewed from a low angle, emphasizing its size. Several math problems are overlaid on the image in blue, hand-drawn shapes. At the bottom of the image, there are several grey rectangular boxes, some of which are partially obscured by the sea.
$$8+6$$
