Растения леса

Подготовила
учитель начальных классов
МОУ «Ракитянская СОШ №1»
Латышева Татьяна Анатольевна

Дорогие ребята!
Недавно вы изучили особенности
зоны лесов. А помните ли вы
растения смешанных лесов?
Давайте вспомним вместе.
Готовы к работе?
Удачи вам!

A detailed illustration of a forest in autumn. A dirt path winds through a field of green and yellow grass, leading towards a dense forest of birch trees with golden-yellow foliage. The sky is a mix of blue and purple, suggesting a sunset or sunrise. In the foreground, there are various green plants and fallen birch branches. A large, rounded green rectangle is overlaid on the left side of the image, containing the word 'дуб' in white Cyrillic text.

малина

A detailed illustration of a forest in autumn. The scene is dominated by birch trees with their characteristic white bark and black lenticels. The ground is covered in fallen leaves in shades of yellow, orange, and red. A dirt path winds through the forest, leading towards a dense stand of trees in the distance. The sky is a mix of blue and purple, suggesting a sunset or sunrise. In the foreground, there are some green plants and a fallen log.

A detailed illustration of a forest in autumn. The scene is dominated by birch trees with their characteristic white bark and dark lenticels. The ground is covered in fallen leaves in shades of yellow, orange, and red. A dirt path winds through the forest, leading towards a clearing in the distance. The sky is a mix of blue and purple, suggesting a sunset or sunrise. In the foreground, there are various green plants and a fallen log. A large, rounded green text box is overlaid on the left side of the image, containing the word 'калина' in white Cyrillic letters.

калина

A detailed illustration of a forest in autumn. A dirt path winds through a field of green and yellow grass, leading towards a dense forest of birch trees. The trees have white bark and some are showing yellow and orange foliage. The sky is blue with a few birds flying. In the foreground, there are some fallen logs and small plants.
