A serene winter night scene. The sky is a deep blue, filled with soft, white snowflakes falling gently. A large, bright full moon hangs in the upper left corner, casting a soft glow. The landscape consists of rolling, snow-covered hills. Several evergreen trees, their branches dusted with snow, are scattered across the hills. One tree stands prominently on the highest peak, which is directly under the moon. Other trees are grouped together on lower slopes and in the foreground. The overall atmosphere is peaceful and quiet.
