Handwriting practice on a four-line grid. The letters are written in a dark red, cursive style. The first letter is a large '2' that starts at a red dot on the top line, loops back to touch the top line, and then descends to touch the bottom line. A green arrow points to the starting dot. The second letter is a tall 'l' that starts at a red dot on the top line and descends to touch the bottom line. The third and fourth letters are smaller 'u's that start at red dots on the dashed middle line and touch the bottom line. The grid consists of a solid top line, a dashed middle line, and a solid bottom line.
