

A large, weathered concrete bucket with a wooden handle lies on its side on a grassy hillside. The bucket is positioned as if it has just been tipped, with its opening facing a river valley. The river is a milky, sediment-laden brown color and winds through the valley. The surrounding landscape is rugged, with steep, rocky slopes and patches of green vegetation. In the background, more mountains are visible under a cloudy sky. The entire scene is framed by a dark teal border, with a red vertical bar on the right side.

## «Экологический буксир»

A vibrant landscape photograph featuring a calm river or lake in the foreground, reflecting the sky and surrounding greenery. The background shows a dense forest of evergreen trees and rolling hills under a bright blue sky filled with scattered white clouds. In the immediate foreground, there are green plants with small pink flowers. The overall scene is peaceful and natural.
