The image is a composite graphic. The background is a dark, stormy sky with swirling clouds and a bright purple lightning bolt striking down on the left side. In the center, there is an oval-shaped frame. The top half of the oval shows a white swan swimming in clear blue water. The bottom half of the oval shows a white swan sitting on a nest made of sticks and twigs, but the nest is surrounded by and partially covered with various pieces of trash and debris, including what looks like a plastic bottle and other litter. A red banner with yellow text is superimposed over the middle of the oval, separating the two scenes.
