You're Pre-Qualified¹

Dear Mario A Vellandi,

You're pre-qualified for a loan from Bank of America of up to \$50,000* at a **non-variable rate**. It's fast and easy to get. Simply call the phone number above. Once we set up your account, we can put the money right into your checking account. Then pay off bills*... or use the money for anything else. Here's all you do:

- 1. Decide how much money you'd like.** Request any amount up to \$50,000. There is no collateral required.
- 2. Determine your preferred monthly payment.** Take a look at the chart below for some payment examples and request the monthly payment term that best fits your budget.
- 3. Use the money for anything.** You can pay off bills, for example, and possibly enjoy one lower monthly payment. (We can even pay your other creditors directly, upon request.) Or make a large purchase, fix up your home, even give yourself extra cash.
- 4. We'll send you checks.** Simply write a check to tap into your available credit line. You can use the money over and over as you pay it off.* For each additional advance, we will restart your monthly repayment term and recalculate your monthly payment amount.

You could also save a bundle in finance charges with an Annual Percentage Rate as low as **8.99%****. **Even better, this is not a variable rate** (tied to an index, such as the Prime Rate). It's a comfort to know your rate won't automatically fluctuate every time the index changes. Plus there is no application fee. Please be aware that your pre-qualified offer expires soon. So be sure to mail back the form below or call as soon as possible.

Or use the money for
anything else

Samples are based on the account qualifying for the 8.99% APR; the payments will be higher if the account is approved with a higher APR. APR increases or additional advances will lengthen term or increase payments.

Amount Borrowed	Estimated monthly payment amount			
	60 month term	72 month term	84 month term	96 month term
\$50,000	N/A	\$937	\$837	\$762
\$35,000	\$756	\$656	\$586	\$534
\$25,000	\$540	\$469	\$419	\$381
\$15,000	\$324	\$282	\$251	\$220
\$10,000	\$216	\$188	\$168	N/A

All payment amounts and terms above are estimates based on an APR of 8.99%. Your APR may be higher. We will set your initial APR between 8.99% and 21.99% based on creditworthiness. For approved accounts, we reserve the right to change your APR, fees or other credit terms at our discretion. Additionally, if you fail to pay any minimum monthly payment by its Payment Due Date, we may increase your APR up to a Default APR of 27.99%. Repayment term and payment amount are estimates which may change if, for example: we change your APR, you make late or partial payments, we assess fees, you enroll in Credit Protection, or you take additional advances. You will pay a 3% transaction fee on each advance (minimum fee \$5; there is no maximum). See reverse for additional information on transaction fee.**

We can set up your account in as little as 10 minutes. Call 1.888.747.7277
Monday-Thursday 8 a.m.-10 p.m. and Friday 8 a.m.-8 p.m. ET. For users, call 1.800.833.6262.

1. Вы рассылаете коммерческие предложения
2. Вы используете стандартные клише
3. У вас отсутствует конкретное предложение
4. Вы не умеете писать эффективные рекламные письма

3. Упаковка

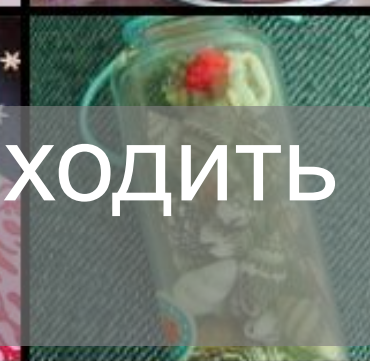

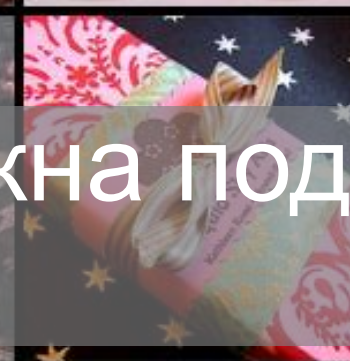

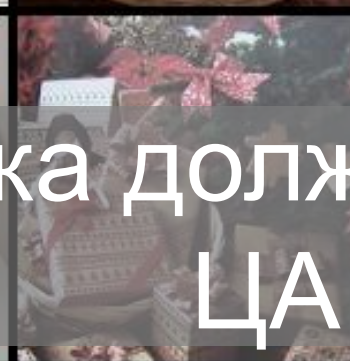

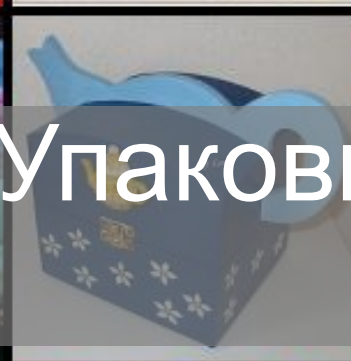

Самая главная ошибка ...

Многие маркетологи вообще
не в курсе, что сообщение
надо как-то упаковывать.

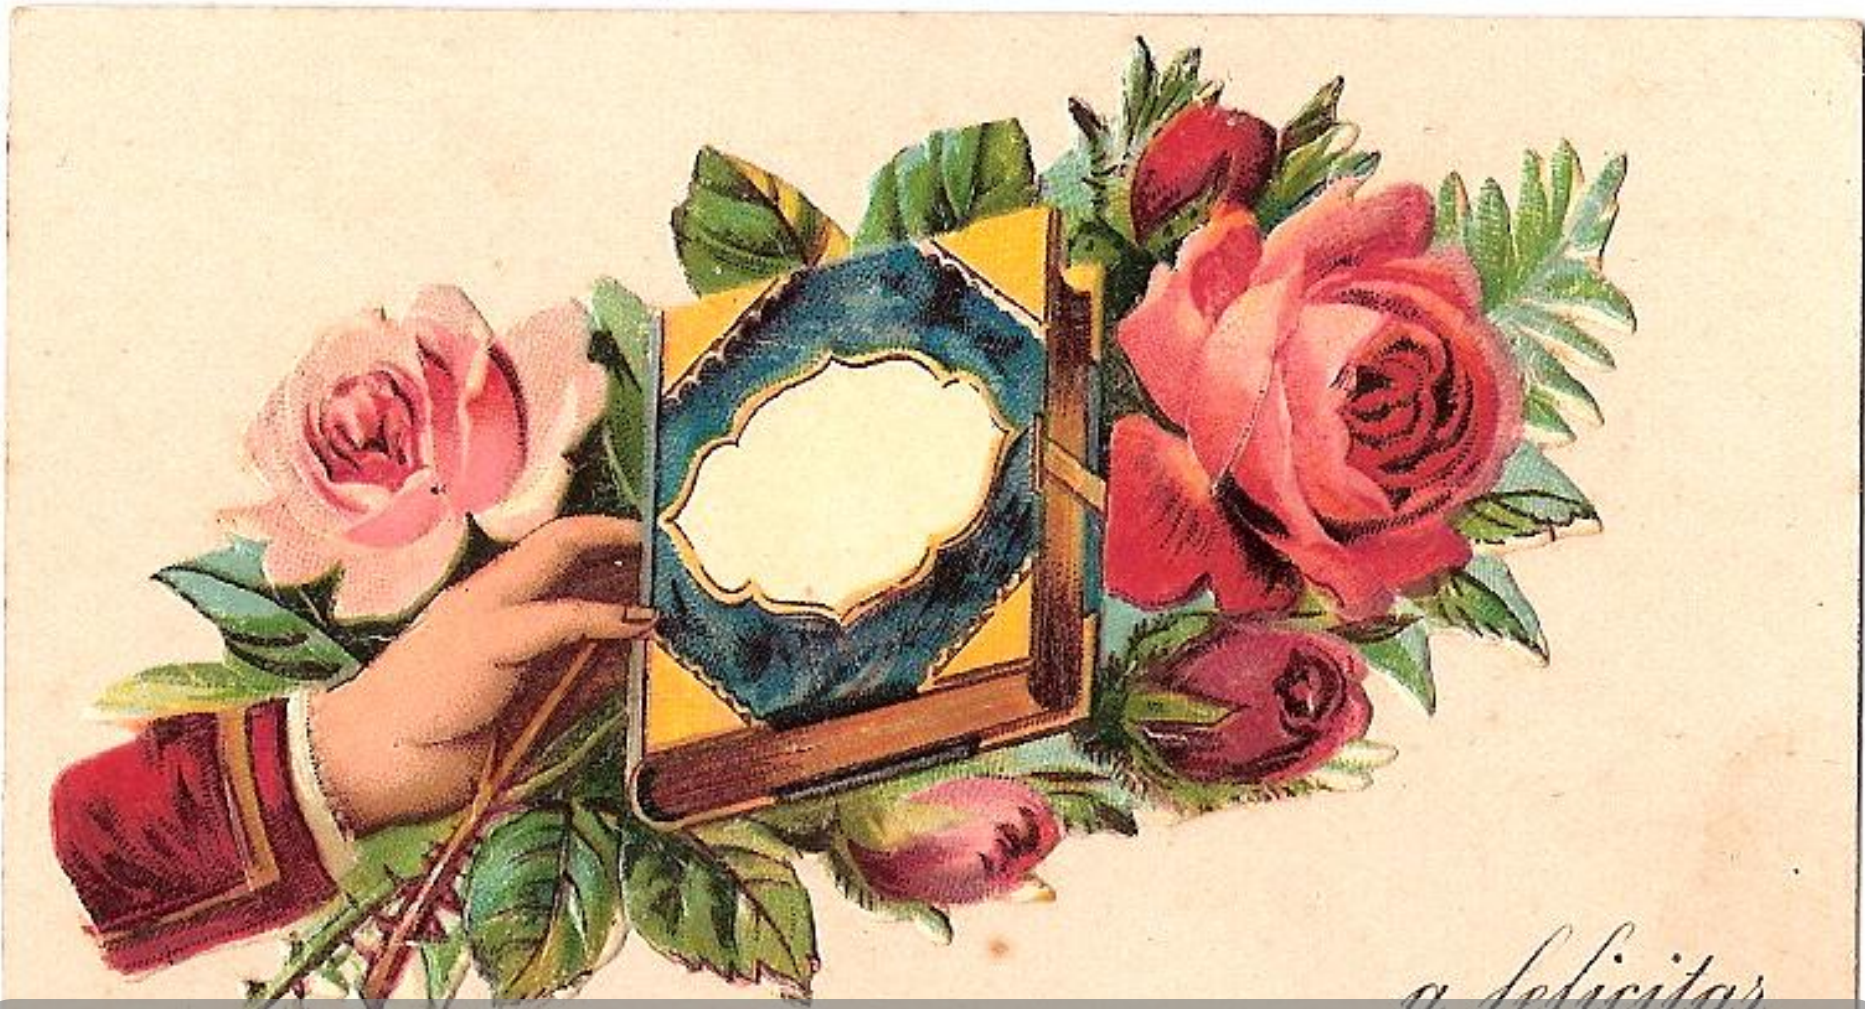

Несколько советов для
поднятия открываемости
ваших сообщений

#1 Положите в конверт что-нибудь объёмное. Тогда его точно ОТКРОЮТ

#2 Упаковка должна подходить
ЦА

a felicitar

#3 Оформите ДМ послание как
открытку
