

ИНВЕРСИЯ МАГНИТНОГО ПОЛЯ ЗЕМЛИ

A bright yellow star is the central focus, surrounded by a field of smaller, dimmer stars. A yellow arrow with a black outline points from the bottom left towards the star. Inside the arrow's shaft, the text '2 млн. км/ч' is written in a colorful, hand-drawn style. The background is a dark grey-blue space filled with numerous small white and yellow stars.
