Голубые Озера

The image shows the interior of a cave with layered rock formations. The walls are composed of dark, stratified rock, and the floor is covered in a layer of sand or dirt. A large, dark opening is visible in the distance, leading to another part of the cave. The lighting is dim, highlighting the textures of the rock and the depth of the passage.

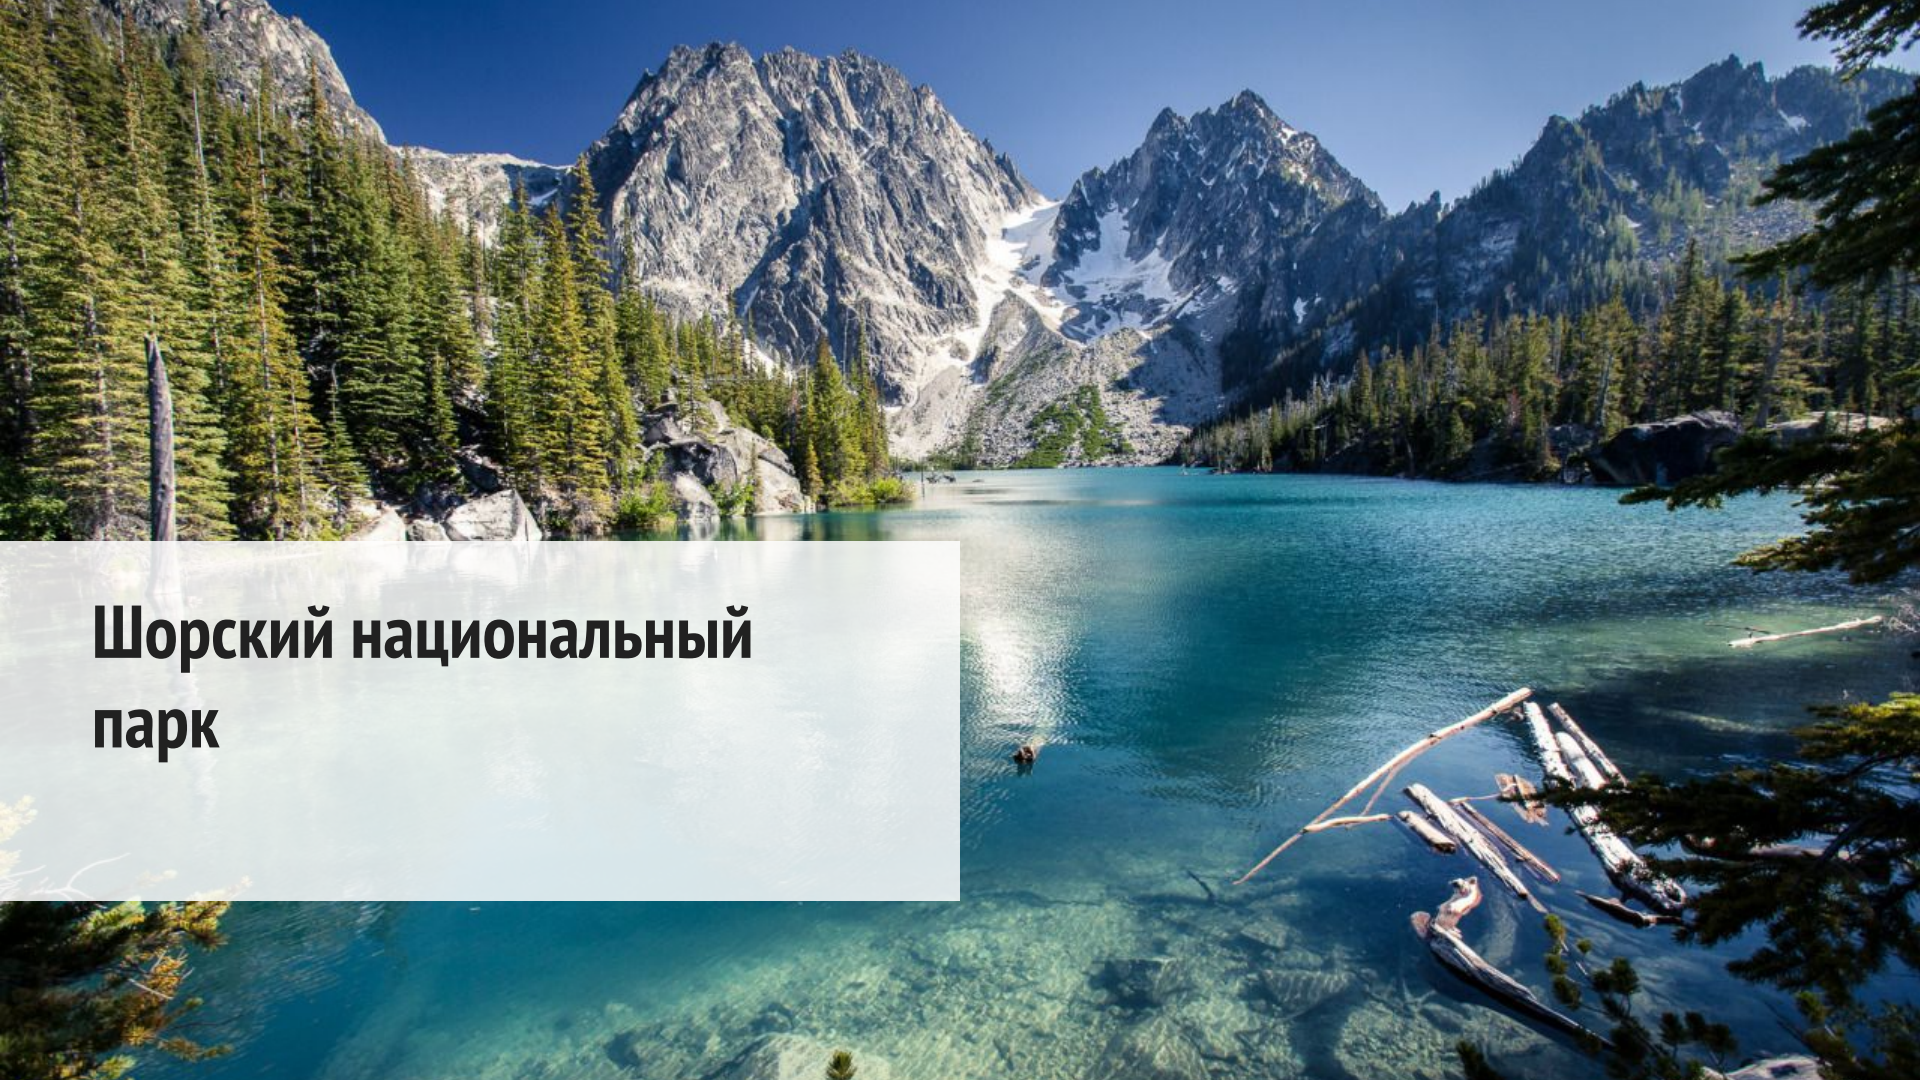

Талдинские Пещеры

Шавлинские Озера

Шорский национальный парк

A photograph of a forest landscape. In the foreground, a calm body of water reflects the surrounding trees and foliage. The middle ground is filled with a dense forest of tall, thin trees, likely pines or spruces, with their green needles and brown trunks. The background shows more trees and a slightly hazy sky. The overall atmosphere is peaceful and natural.

Ботанический Сад СО РАН
