High Ropes Challenge Course

Do you want to get high? Dare you take on the Islands In the Sky? How about the spectacular Cat Walk? And when we say high, we mean HIGH! You'll climb, swing, jump, scream, drop, laugh your way around our adventure course at up to 15m above the ground. We guarantee you an action-packed experience, so strap on your boots and get ready for some real fun!

High Ropes Challenge Course

Nine elements make up the challenge course. The elements are linked together to the 15m poles and each one presents a different challenge as you make your way across the course.

The cables are safety tested to withstand 3.2 tonnes. At all times our guests are secured by a safety rope, these lines will also withstand 3.2 tonnes. The activity is therefore exhilarating but totally safe.
