**Длинный грот**

The image shows a close-up of a cave wall. The rock is dark grey to black, with distinct horizontal layering or bedding. There are several cracks and crevices throughout the rock face. In the lower-left quadrant, there is a dark, irregular opening that appears to be a small cave entrance or a recessed area. The lighting is somewhat uneven, with brighter areas on the upper left and darker areas in the lower right and the opening.

**Грот Великан**

A photograph of a cave interior, likely a mine. The ceiling is covered in large, textured mineral deposits in shades of yellow, green, and purple. The walls are dark and appear to be made of rock. The lighting is dim, highlighting the textures of the mineral formations.

**Грот шахтёров**

**Грот Вышка**

A photograph of a dark, rocky tunnel entrance. The tunnel is illuminated from within, creating a warm, golden glow. The rock walls are rough and textured. The text "Спасибо за внимание" is overlaid in yellow at the bottom of the image.
