The city is located on the Western slope of the southern Urals at the confluence of the Katav river Yuryuzan, 260 km away from Chelyabinsk. The city centre is surrounded by hills.

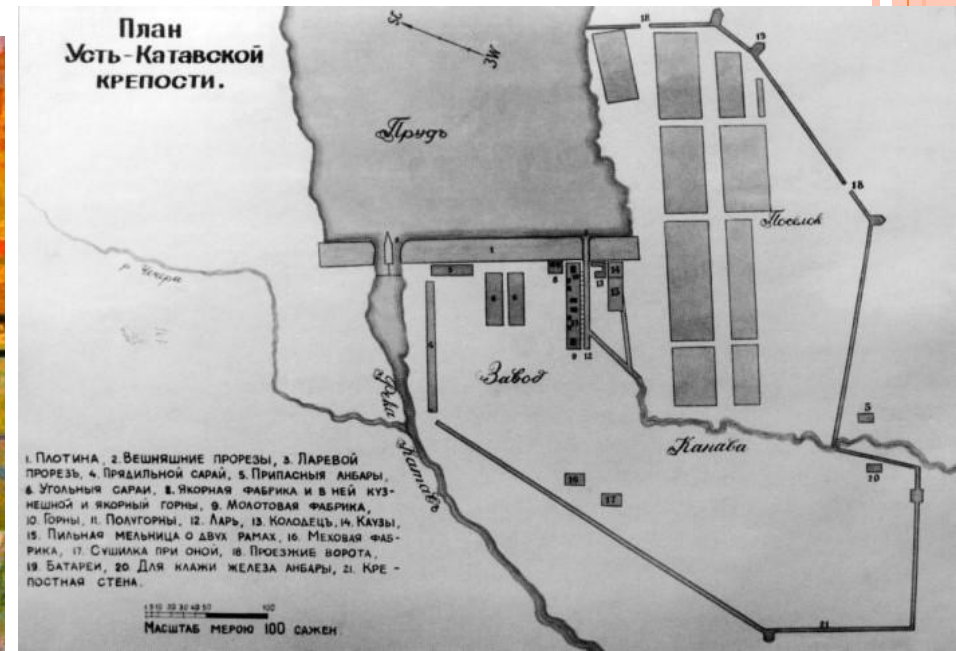

Through the city runs the TRANS-Siberian railway (the station of Ust-Katav), 1 km South of the city is the M5 motorway

UST'-KATAV FOUNDED IN **1758** ON THE **BASHKIR** LANDS AS IRONWORKS AND THE ADJACENT TOWNS.

IT BORDERS THE **REPUBLIC OF BASHKORTOSTAN** IN THE **SOUTH** **KATAV-IVANOVO** DISTRICT.

THE FOUNDERS OF THE **UST-KATAV** FACTORY, IN **1758** WAS THE COMPANY OF THE **SIMBIRSK** MERCHANTS AND FACTORY OWNERS — BROTHERS **JOHN** AND **JACOB BORISOVICH** **TVERDYSHEV** AND **IVAN S. MYASNIKOV**.

INITIALLY, THE ENTERPRISE AT THE MOUTH OF THE **KATAV** WAS A SAWMILL AND SHIP MARINA.

- ? The number of inhabitants of Ust-Katav factory village in 1894 amounted to 4597 people, and in the year 1914. there were only 4,670.
- ? Besides 1914. in Ust-Katav had a school, post and Telegraph office, consumer society, 43 commercial enterprise with a turnover of 361 thousand roubles and 3 industrial businesses with a turnover of 360 thousand rubles.
- ? In the history of Ust-Katav village took place such events as the appearance in 1915. at the initiative of the teacher L. V. Klokova Amateur theater (the theater wearing since 1960. the honorary title of the national theatre, exists today at the Palace of culture railcar Ust-Katav).
- ? In 1919. in the village of Ust-katavskiy plant was included which was located North-East, on the right Bank of the river Yuryuzan, the village of Shubino.
- ? Meanwhile, in the 1920s, was restored and began to give railway products ruined in the civil woinowsky-Katavsky car-building factory .In 1922. for long and diligent work 56 plant workers were awarded the honorary title "Hero of labor“
- ? In the 1930-Hgg in the village of Ust-katavskiy plant was closed both churches, and the building of the Alexander Nevsky Church was converted into a working club, and the building of the Church of the Nativity under food store

- ? A sharp turn in the history of these places is associated with the construction of the Samara-Zlatoust railway. A century of industrialization has done its job. The Belgian joint-stock company bought the ironworks and into the wagon. This decision was fateful. Ust-Katav car-building plant is gaining rapid momentum. After the war it was mined for defense industry and space technology.
- ? Today Ust-Katav car plant named after S. M. Kirov is an important defense enterprises of Russia and the leader in the production of tram cars, which can be found in many Russian cities, including Moscow, Krasnodar, Ufa, Nizhny Novgorod, Chelyabinsk and Zlatoust.
