

The Tower of London, leading historic visitor attraction

- Through the centuries, the Tower of London has been a citadel and a palace.

It was built around 1090 by William the Conqueror

The White Tower

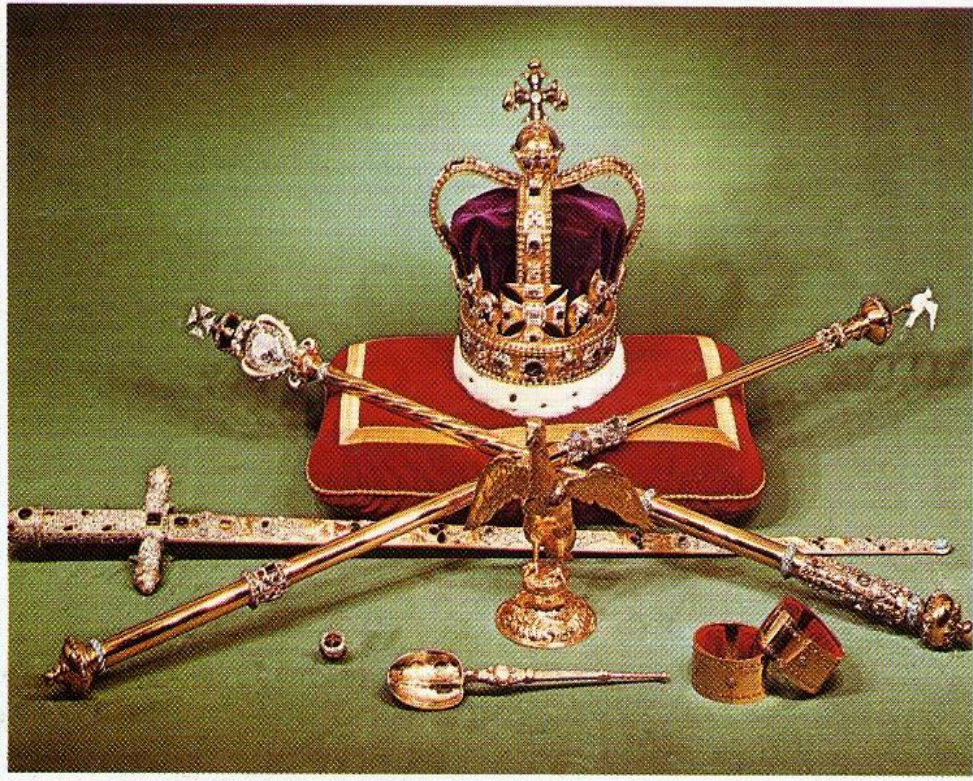

It marks the start of the Tower of London's history.

- Three queens of England have been beheaded within its walls, because it has been a prison for offenders against the State

The Crown Jewels

- The Tower of London has been home to the world famous British Crown Jewels since the beginning of the 14th century.

The Crown
Jewels are
still used by
the Queen
today

Yeoman Warder

“Beefeaters”
have been at
the Tower of
London since
the 14th
century.

The Ravens

- The legend says, Charles II was warned that if the Ravens leave the Tower, the monarchy would fall.
