Kazan - a city in the Russian Federation, the capital of the Republic of Tatarstan, a major port on the left bank of the Volga River, at the confluence of the Kazanka River. One of the major economic, political, scientific, educational, cultural and sports centers in Russia. Kazan Kremlin is one of the UNESCO World Heritage Site.

The city has a registered brand "Third Capital of Russia". Informal and semi-officially called the "capital of Russian federalism" and "World Capital of Tatars"

One of the attractions of Kazan - it Kazan Kremlin. Oh it is not worth something to tell him you just need to see for yourself.

Kul - Sharif is located on the territory of the Kazan Kremlin, but it needs to be separated out, as this beauty should not go unnoticed.

Just do not forget about the street Bauman. Bauman Street is a shopping and entertainment area, it contains a variety of shops, restaurants and fast-food outlets, as well as monuments, fountains, benches, shelters, lampposts and other elements of improvement.

Modern park in the city center on the banks of the river Kazanka, three entertainment areas: children, family and extreme. On the Ferris wheel height of 55 meters you can see a panorama of historical Kazan and the Volga River. There are extreme rides "flying saucer", "coaster", a café, toy stores, animators.
