МЯТА

ШОКОЛАД

An abstract painting featuring organic, flowing shapes in a vibrant color palette. The composition includes large, swirling forms in shades of green, yellow, and orange, interspersed with dark, almost black, oval shapes. A prominent red and yellow shape curves across the middle. The background is a mix of warm tones, with some areas appearing more textured or layered. The overall style is expressive and somewhat surreal, reminiscent of mid-20th-century abstract art.
