Рисованъ:  
1841.  
портретъ И. К. Английскаго  
на каменнѣи  
таблицѣ

An abstract painting with a rich, textured surface. The composition is dominated by warm tones of orange, yellow, and red, interspersed with cooler shades of blue, purple, and white. The brushstrokes are thick and expressive, creating a sense of movement and depth. The overall effect is one of vibrant energy and artistic spontaneity.
