

How to Activate AutoDesk any product for free

By

CrackAutocad.com

Step #1

First of all Download any AutoDesk Product trial version. Form official site or Torrent. You may Find help from here www.crackautocad.com to Download your desired software.

Step #2

Now start installing software. Lets we show you how to install AutoCAD 2016

Step #3

Use as Serial **666-69696969**, or 667-98989898, or 400-45454545, or 066-66666666 .. or anything matching those templates Use as **Product Key 001H1** (keys are diff. for other products)

The screenshot shows the 'Product Information' step of the Autodesk AutoCAD 2016 installation process. The window title is 'Autodesk® AutoCAD® 2016'. The breadcrumb path is 'Install > Product Information'. The interface includes the following sections:

- Product language:** A dropdown menu set to 'English'.
- License Type:** Two radio button options:
 - Stand-Alone (Use a license on the workstation)
 - Network (Use a license from my network)
- Product Information:** Two radio button options:
 - I want to try this product for 30 days
 - I have my product information

Under the 'I have my product information' option, there are two input fields with green checkmarks indicating successful validation:

- Serial number: 066 - 66666666
- Product key: 001H1

At the bottom of the window, there are links for 'Installation Help', 'System Requirements', and 'Readme', along with 'Back', 'Next', and 'Cancel' buttons.

Step #6

Aftar installing AutoCAD 2016, restart it for activation. Download X-force keygen 2016 and start the X-force also.

Step #7

1. Open AutoCAD 2016.
2. Select I have licence key
3. Copy request code from Activation window of ACAD 2016

Product Autodesk AutoCAD 2016
Serial Number 555-4963493
Product Key 50198
Request code **KE37 5TLF VZLN PJ4L X0G7 8SAN DQQ5 2LCZ**

To activate your Autodesk AutoCAD 2016 license immediately, please select "Connect now and activate" again. If you still experience problems during activation, and if you requested and received an activation code from Autodesk, select "I have an activation code from Autodesk".

Connect now and activate (Recommended)

I have an activation code from Autodesk

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16

Clear All

Step #8

Follow steps as in image.

The image shows the Autodesk Licensing - Activation Options dialog box. The main window contains the Autodesk logo and the title "Product License Activation Options". Below this, there is a section for "Product License Activation Options" with the following details:

- Product: Autodesk AutoCAD 2016
- Serial Number: 667-98989898
- Product Key: 001H1
- Request code: F279 CTU7 RSJV FUJP QLFD C99T ZNSF P3CZ

Below the details, there is a text block: "To activate your Autodesk AutoCAD 2016 license immediately, please select 'Connect now and activate!' again. If you still experience problems during activation, and if you requested and received an activation code from Autodesk, select 'I have an activation code from Autodesk'." There are two radio buttons: "Connect now and activate! (Recommended)" and "I have an activation code from Autodesk".

Below the radio buttons, there is a grid of 16 input fields for an activation code:

1	6KD4	2	Z760	3	9UW2	4	EX41
5	34U7	6	KU0D	7	ZFGV	8	ZJP8
9	CTKC	10	9CE2	11	6A32	12	CXH0
13	X0U5	14	YGLC	15	Z	16	

Below the grid is a "Clear All" button. At the bottom of the dialog box are "Back", "Close", and "Next" buttons.

Overlaid on the right side of the dialog box is a smaller window titled "X-FORCE". This window has a purple and black background with the text "X-FORCE" in large, stylized letters. Below this, it says "-- Autodesk 2016 products --". There is a text input field containing the request code "F279 CTU7 RSJV FUJP QLFD C99T ZNSF P3CZ". Below the input field are three buttons: "Patch", "Generate", and "Quit". At the bottom of the X-FORCE window, there is a banner that says "SMOKING THE COMPETITION!".

Red arrows and text annotations indicate the following steps:

1. Click patch (arrow pointing to the Patch button in the X-FORCE window)
2. Copy Request Code (arrow pointing from the Request code field in the main dialog to the X-FORCE window)
3. Paste Here (arrow pointing from the X-FORCE window to the 15th input field in the main dialog)
4. Click On Generate (arrow pointing to the Generate button in the X-FORCE window)

So now you have a fully activated AutoDesk Product now enjoy it !
