Two large, empty, rounded rectangular boxes are positioned below the text, one above the other, intended for additional content.

# РИМСКОЕ ВОЙСКО

A decorative scrollwork border in white and light gray surrounds the central text and form. The border features intricate floral and leaf patterns, with a central crest-like element at the top and bottom.

Below the title, a horizontal line with a small decorative flourish in the center separates the title from the form. The form consists of five horizontal white bars, each preceded by a small white circle on the left side, connected by a thin vertical line. These circles and bars are arranged vertically, providing a structured space for text entry.
