

My hobby

For me hobby is what I like to do
in my spare time.

Many people collect something - coins,
stamps, compact discs, toys, books.

But my hobby is to play
the piano

=)

I have been playing the piano for 3 years and it is really interesting for me.

I go to the music school three
times a week

But it is not so easy to remember how to play, for example, Sonata the one.

So I have to play the piano
for 3 hours every day

I took part in city's music competitions twice.
And twice I was the prize winner.

Next week I will have my music exam,
so nowadays I spend all my spare time playing the piano

So good luck to me!!!
