

The background is a detailed vintage map with various geographical features and text. It is decorated with several nautical-themed items: a brass compass with a blue and white compass rose in the bottom left; a small pile of five coins (two copper, three silver) in the middle right; a large, light-colored seashell in the bottom right; and a piece of dark, textured driftwood in the top left. Thick, light-colored rope is draped across the map, forming a large loop on the right side and a knot at the bottom.
