

THE WILD WEST

Native Americans (INDIANS)

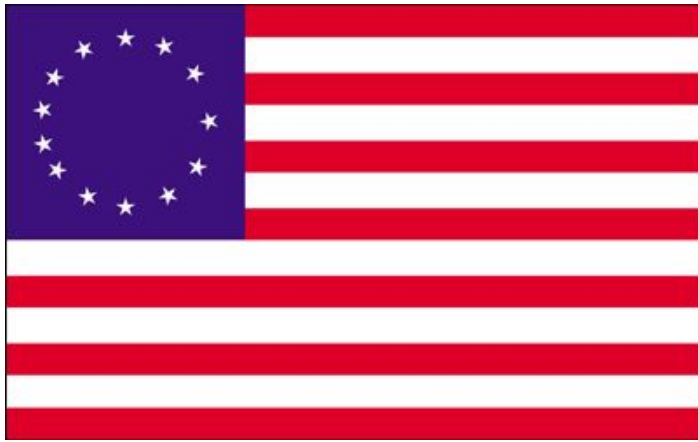

Modern Indians

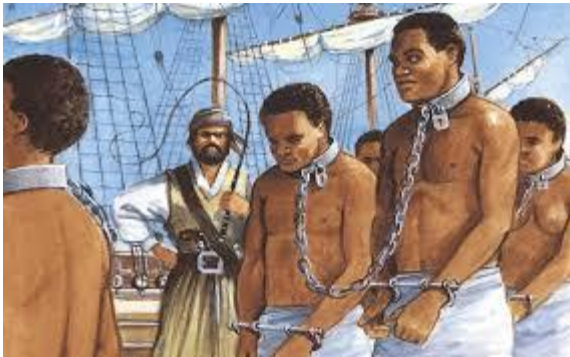

At the beginning of the 17 century
the first colonies appeared in
America.

The American Flag is often called
“The Stars and Stripes”

Black Africans arrived as slaves in 1619

They grew rice and tobacco

The colonists in America didn't want to depend on the English King or on England.

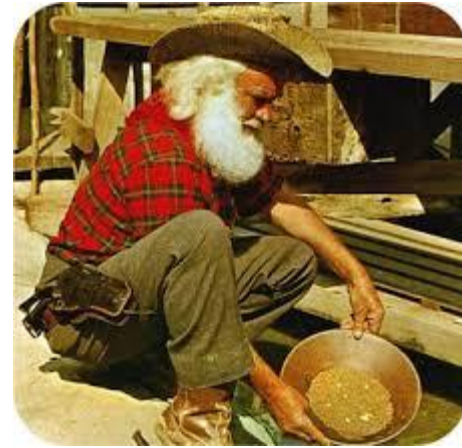

George Washington became the first President of the United States

In the 19th century people went west to look for gold

Life in the Wild West was full of danger. The Native Americans in the west didn't like white people who took their land. Sometimes they attacked them.

There were bears and wild animals
and people had to have guns.
