OPFERLAMM

A vibrant, colorful background featuring a woven basket filled with several decorated Easter eggs. The eggs are painted in various colors (blue, yellow, pink, white) and feature different patterns like polka dots and floral designs. A light green ribbon is tied around the basket. The background is decorated with flowing, translucent ribbons in shades of purple, blue, and pink, along with soft, out-of-focus floral elements. The overall scene is bright and cheerful, typical of an Easter celebration.
